Juniors Play Here

Kings Mountain's Legion Juniors lost their first two Area Four games but hope to get on the winning track here Thursday against Lenoir.

Post 155 fell to Forest City 6-5 in 11 innings Friday night and lost to Cherryville 9-3 Tuesday in a game which was postponed from Saturday. The Juniors were scheduled to play at Shelby last night.

After hosting Lenoir tonight at 7:45 at Lancaster Field, the Juniors will take a few days off and return to action here Tuesday night against Morganton.

A two-out error in the bottom of the 11th inning gave Forest City the victory in a good ballgame last Friday night.

Paul Neisler was the player of the game for the local nine. He pitched four strong innings of relief, giving up just two hits and striking out five.

Todd Cloninger led the KM plate attack with 2-for-4.

Cloninger was the player of the game Tuesday against Cherryville. He led the KM hitting again with 2-for-4 and played a good defensive game in center-field.

Tommy Batchler worked the first 6 2/3 innings for KM and took the loss. Neisler pitched the final 2 1/3 innings.

"We made a lot of errors and didn't hit the ball well," said Coach Tim Leach.

"She's being recruited by several colleges for both softball and tennis," Clark said. "She made tremendous sacrifices for the team. One day, she attended a band concert, came back to the school and came out on the softball field and hit a home run to win the ballgame for us."

Baseball: Thomas Breakfield, most improved player. A sophomore, Breakfield compiled a .285 batting average, which was second best on the team, and also was second in runs scored with 10. "He improved tremendously in hitting and fielding," said Coach David Heffner.

Brad Reynolds, most valuable player. A three-year performer and two-year starter, Reynolds led the team in hitting with a .304 average and made All-Conference as an outfielder. "He was our team leader," said Heffner. "He was a hustler and always gave a hundred percent."

Eddie and Gail Herndon were named Boosters of the Year by the Mountaineer Club. "They really extended their time," said Bill Grissom. "You'd see them everywhere you'd go to a sporting event, and they always worked hard for the club."
