KM's Jones To Play In National Tourney

Kings Mountain's Bryan Jones will participate in the U.S.T.A. Boys 14's National Tennis Championships August

5-11 at the Pierremont Oaks Tennis Club in Shreveport, Louisiana.

Jones is one of 16 boys from

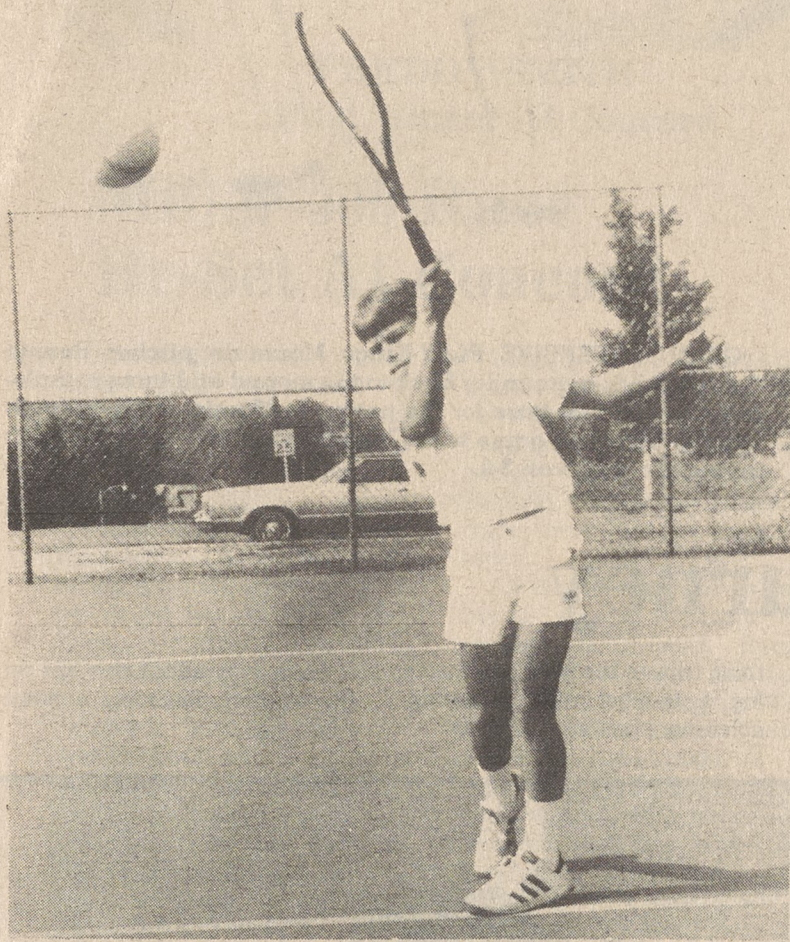

the South to qualify for the event, and the first Kings Mountain tennis player to ever qualify for the tournament.

Bryan's good showing in the Southern Closed Boys Championships at Macon, Ga., in June, and his overall strong tournament record placed him as the number seven player from the nine southern states of North Carolina, South Carolina, Georgia, Alabama, Mississippi, Kentucky, Arkansas, Louisiana, and Tennessee.

Jones had tournament victories in the Gaston County Spring Tournament at Gaston College, the Shelby Invitational Junior Tournament, the Clemson Tiger Junior Championships at Clemson, and most recently, the boys 16-year-old division at the Catawba Junior Invitational in Newton.

Jones qualified for the Southern Tournament by finishing third in the North Carolina Qualifier Tournament at Winston-Salem. In tournaments this summer, he has claimed victories over the number one seeds from North Carolina, Alabama and Tennessee.

Jones, 13, is the son of Mr. and Mrs. Bobby Jones and is a rising ninth grader at Kings Mountain Junior High School.

IN NATIONALS - Kings Mountain's Bryan Jones will play in the Boys 14 National Tennis Tournament beginning August 12 in Shreveport, La. Jones is the first KM netter to every qualify for the event.

Ask About Wildlife

QUESTION: When I bought my new hunting-fishing license recently I picked up my copy of the 1984-85 Inland Fishing, Hunting and Trapping Regulations Digest. In thumbing through it, I noticed that there is no information in it on the dove hunting season. Can you provide the season dates and tell me if there are any changes in the shooting hours or bag limits from last year? T.C. Morganton.

ANSWER: Because information on the dove population level

is gathered up to mid-summer and the dates for the fall dove hunting season are then set, it is too late to include that information in the Regulations Digest. As you indicated, the Regulations Digests are already in the hands of license agents and the dates, shooting hours and bag limits for doves have just recently been set.

As was the case last year, this fall's dove hunting season will be split, but it will be a three-way rather than two-way split season,

allowing for a week of dove hunting over the Thanksgiving Holidays, this year.

The first portion of the season opens on Saturday, September 1 and extends through September 29. Shooting hours during this portion of the season are from noon until sunset. Hunting will be allowed all day in the second portions of the season, which will run from November 17-24 and from December 14 through
