CITY RECEIVES GRANT—Senator J. Ollie Harris, left, Diane Padgett, Administrator for the Area Agency on Aging for Isothermal Planning & Development and Teresa Melton, Director of the KM Aging Program, observe as Mayor John Henry Moss signs receipt for a \$40,000 grant from the N.C. Division on Aging for expansion of classroom space at the Center for Aging at KM Depot.

Car Raffle Success

Richard C. Norman, President of the National Kidney Foundation of North Carolina, Inc. reports that the Eighth Annual Car Raffle is now history and was an outstanding success. Approximately \$45,000 was raised as a result of this statewide

project. The money raised will be used for kidney research, patient services, the organ donor program, and public and professional education.

The car was won by Sallie Dunn of Raleigh, North Carolina. Sallie, a Trial Court

Administrator, was extremely pleased to have won a new car for only \$1.00 while at the same time helping the National Kidney Foundation.

The 1984 Mazda GLC luxury sedan was donated by the North Carolina Mazda Dealers for the fourth consecutive year. Lionel Randolph, Chairman of the Car Raffle, attributes the project's success to the continuing support of the Mazda dealers and the dedicated efforts of many individuals across the state. "Hundreds of volunteers throughout North Carolina, including kidney patients from all of the dialysis centers statewide joined forces in making this project a success," Mr. Randolph reported.
