We Should Pray For Elected Leaders

From Page 6-C

To the non-christian, you are also bound by another document to stand with the leaders of our land for the good of our society. "When in the course of human events it becomes necessary for one people to dissolve the political bonds which have connected them with another, and to should declare the causes

which impel them to the separation.—We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among them are life, liberty and the pursuit of happiness."

Political party is not the issue, the welfare and well-being of our nation is the issue. A house divided can not stand. We of all

parties must band together, no. Pray for, obey, and uphold those selected. Wish them the best. Trust that their term in office might be a good, successful and efficient term. For as those in authority enjoy success, we shall benefit indirectly and directly in many ways.

May the Christians obey the Word of God, may the others be able to break the political bonds

and may we all realize that we are: Created by God; created in His image; created for His glory and bound to each other for the benefit of each other.

I'm Pastor Oscar Stalcup of the Kings Mountain Foursquare Gospel Church; and that is what I think.

If life is the question, the Bible is the answer.

Helping Hands

County Gets \$35,000 For Programs

Cleveland County has been chosen to receive \$35,448.00 to supplement emergency food and shelter programs in the area.

The selection was made by a national board made up of national voluntary organizations and chaired by the Federal Management Agency (FEMA). United Way of America will function as the administrative staff and fiscal agent.

The board was charged to distribute funds appropriated by

Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

A local board made up of the Kings Mountain and Cleveland County United Ways, the American Red Cross, Cleveland County Social Services, Kings Mountain Baptist Association and the Salvation Army will determine how the funds awarded to Cleveland County are to be distributed among the emergen-

cy food and shelter programs run by private voluntary organizations in the area.

Under the terms of the grant from the national board, local organizations chosen to receive funds must: (1) be non-profit, (2) have a voluntary board, (3) have an accounting system and conduct an annual audit, (4) practice non-discrimination and (5) have demonstrated the capability to deliver emergency food and shelter programs.

Qualifying organizations must apply no later than Friday, November 9, 1984.

Information on the program may be obtained by contacting Mark Wilson, Kings Mountain Hospital, Telephone 739-3601, ext. 402. Anyone wishing to serve on the allocation board should also contact the above number.
