**What Christmas Means
To Me**

Christmas season is of love and care. Baby Jesus was born on Christmas. Everyone loved him and they brought gifts for Him because they cared for Him. We do the same thing on Christmas. We love and care for people. Christmas is my favorite holiday. When everyone comes over and they bring presents for children and the children jump in their laps and smile. The smiles of children brighten up the world.

I love decorating the house. It is real fun. My brother plays Christmas music on his big organ and it sounds good. My mother bakes cookies for our family. They taste real good. On Christmas night we go and look at the star that led the wisemen to Baby Jesus.

**What Christmas Means
To Me**

Christmas means giving gifts to people you love. Christmas also means receiving gifts from people you love.

Christmas also means Jesus Christ. No one really knows when Jesus was born. Most people believe Jesus was born on December 25th. Let me tell you how I heard it.

Joseph and Mary had been traveling for a long time. Mary was going to have a child. After while they came to a village called Bethlehem. They went from house to house looking for a place to stay. They came to a house and asked if they could stay in their house for the night. They said we haven't got room for you in the house but you can stay in our stable. That night Mary had her child. She had a little boy. They named him baby Jesus.

That night a bright star came out. The Shepherd men and wisemen brought gifts and followed the bright star. They came to the place where baby Jesus was. They all celebrated the birth of baby Jesus.

The reason I like Christmas is because it is fun. The most important thing is that Jesus was born on that day. Every Christmas is Jesus' birthday. Christmas is one of the best holidays. It is when everybody shows their love. People give their family and friends gifts. We always go to our Granny's house to give out what you got your family. I love Christmas because I get toys.

**What Christmas Means
To Me**

Christmas means to me that it is Jesus' birthday. The giving of presents is just another part of Christmas. The giving part of Christmas is something to cherish forever because that is the time to be thankful for the presents that you get, because some children in the world never get anything like we get here. The receiving part of it is what I like because you get presents. But that's not really what we celebrate Christmas for. What Christmas is really means to me is that it is Jesus' birthday and we must be thankful for what he did for us. Jesus crucified himself for our sins.

Christmas is kid's and parent's day to play. You get toys and presents and it's a time for giving and receiving things. Sometimes it is a time for each family to get together and share and bake chocolate cakes, cookies and apple pies. Last Christmas we had some fun. I got a gocart and some clothes and some games and a BB gun and a bicycle, ten speed, and that was it. Because the reason Christmas is special to me. Because it is Christ birthday. We celebrate Jesus' birthday and that's it. I love everybody.

What Christmas Means To Me

By: Jill Parrish

Christmas is the birth of our Saviour Jesus. He is the one that made us. Of course people like the presents, but the main reason I like Christmas is it is Jesus' birthday. Christmas presents aren't really the main thing. There is no such thing as Santa, so the main thing about Christmas is Jesus' birthday.
