Christmas mean a lot to me. Christmas means love and sharing and helping each other. On Christmas and you should put a penny in the old mans hat. I am glad that we have a holiday called Christmas. We should be thankful for Christmas because of the thanks we get on Christmas.

Christmas means everything to me. It means sharing and caring and loving. It means that it was Jesus's birthday. He was born on Christmas Day. It means that little kids believe in Santa Claus. It means getting up on Christmas morning and opening up your presents.

What Christmas Means To Me

There are times when I think about what Christmas means to me. Sometimes I say Christmas means to open presents and put up lights, ornaments, and a Christmas tree. And there are times when I don't think that. Maybe it means to go shopping and cook a Christmas dinner. But I just wonder what does Christmas mean. It might mean to be thankful. It might mean to love one another or it might mean to be thankful for our Lord being born on this day. There are many meanings of Christmas.

What Christmas Means To Me

Christmas means a fun time with my family, and the joy of seeing them open their presents on Christmas morning. To me, Christmas means being excited about going to my grandparents and seeing all my relatives. Christmas means being together with people I love.

The most important thing is our Saviour who died on the cross to save us from our sins, so that we could live today. So, when my family comes together on Christmas, I hope we all remember the purpose for Christmas and not just the presents.

What Christmas Means To Me

Christmas is a joyful and happy time. I like Christmas because we celebrate Jesus's birthday. We get presents and we eat a big dinner. Christmas is really a time to remember Jesus and to feel him in our hearts.

Christmas is a time to gather around and share our love. When you think of Christmas you probably think of Santa Claus and his elves. I really think of Christmas as a white, snowy, joyful Christmas. And you think of pageants or plays going on at church. Christmas is a time to share your hearts to loved ones.

What Christmas Means To Me

Christmas means to me that Santa's elves make a lot of toys for all the children in the world. But I don't understand how Santa gets around the world in one

night unless he has magic power. And that he goes down chimney with a sack full of toys. How does he get his self down a chimney with all the toys on his back for the children in the world.

How does Santa elves make all those toys for all the children in the world? And how does Santa get all those toys in one sack to take around to all the children in the world?

Christmas is a time for fun. Little kids believe in Santa Claus. Christmas has another meaning. It's baby Jesus' Birthday. A lot of people think its a time for gifts and nice things. Christmas means when kin folks in the service come home. And aunts and uncles, cousins, brothers, and sisters far away come home. People are hugging and kissing and saying I love you.

Christmas also means: Girls getting dolls, tea sets, and dresses. Boys getting transformers, jam boxes, gobots, motorcycles, gocars, computers, and doctor pans; Fathers getting tools, guns, exercise bikes and weight sets; mothers getting pots, pans, microwave ovens, spoons, forks, knives and tuperware.

The most important thing in the world is Christ's birthday when most people go to church the Sunday coming.

What Christmas Means To Me

Christmas is my favorite holiday because that is when Jesus was born. We give each other presents, and it is most fun to watch their faces light up when they see what they got. My mother says "Its not the gift you give it is the thought behind it." Christmas is a time for the whole family to give gifts and to share and love each other. Giving presents are better than receiving them on Christmas.

What Christmas Means To Me

Christmas is a time for the whole family to get around and open presents and to have fun with the whole family. If you get toys you can play with them and have fun.

We give thanks to the Lord for letting you have this time to have fun.

And He is letting you have thanks for the people far away who aren't getting any food and shelter from any one who can give them some food and shelter.

Everyone needs food, love, and shelter.

Christmas is when your family gets together and has a lot of fun. They share times opening presents and sharing love. When

Christ was born a new meaning came to the world life. It seemed more special than ever.

Christmas also means when girls get dolls, dresses, tea sets and books. Boys get bikes, clothes, transformers, and other kinds of toys.

The most special thing about Christmas is when Christ was born. That is the reason we celebrate Christmas.
