

Elders And Deacons Enjoy Christmas Dinner

The Session and Diaconate of Long Creek Presbyterian Church celebrated the Christmas season in a festive way with a

dinner held on Dec. 20th. The event was attended by board members along with their husbands or wives. After singing

Christmas carols of the season and playing a Christmas trivia game, the group enjoyed a dish dinner.

After dinner, the group adjourned to the home of Rev. Charles and Betty Davenport on Long Creek Road. The Davenports hosted the group for dessert and fellowship.

Decorated with traditional tree, garlands, holly and stockings, the home proved the perfect place to share the Christmas spirit. The guests enjoyed the finger foods prepared by Mrs. Davenport.

The Session/Diaconate Christmas dinner party has become a tradition at the Long Creek Church. The event was well attended and enjoyed by all.

Gospel Sing Slated

Midview Baptist Church will sponsor a gospel singing Saturday, Jan. 5th, at 7 p.m.

Featured groups will be the

Roland Dry Singers of Fort Mill, S.C. and the singers for the King of York, S.C.

The public is invited to attend.

Completes Course

Sgt. Robert H. Payne, son of Betty C. Payne of Bessemer City has completed a U.S. Army primary leadership course at Fort Bragg, N.C.

Students received training in supervisory skills, leadership principles and small unit training techniques essential to a first-line supervisor in a technical or administrative environment.

Payne is an infantryman with the 82nd Airborne Division. He is a 1979 graduate of Bessemer City High School.

Lowrance Promoted

Charles K. Lowrance, son of Charles R. and Brenda F. Lowrance of Rural Route 1, Grover, has been promoted in the U.S. Air Force to the rank of airman first class.

Lowrance is an aircraft maintenance crew chief with the 2nd Organizational Maintenance Squadron at Barksdale Air Force Base, La.

He is a 1979 graduate of Kings Mountain Senior High School.

USING SMALL COMPUTERS

Sacred Heart College is beginning a new session of its successful series, "Using Small Computers". These courses not only teach you all the basics of operation, but also familiarize you with how the benefits of a small computer can be applied to your lifestyle and work.

Sacred Heart has one of the most complete computer labs in the greater Charlotte area. Twenty IBM Personal Computers give you the chance to work on your own computer for the duration of the course.

Duke Power is pleased to announce the installation of our new telecommunications devices for the deaf.

Now people with speech and hearing problems who own or have access to TDD's will be able to call in power outages, ask billing questions, inquire about energy programs or discuss anything they'd like. And it's all toll free.

The telephone numbers shown below are for TDD's only. There is no voice communication over these lines.

Duke Power's TDD's will be in operation from 8am to 5pm, Monday through Friday.

From NC, call 1-800-424-8500.
From SC, call 1-800-438-4330.

*(Now hear this)
