

Patriots Lose First, Beat Sullivan Again

Kings Mountain Junior High's wrestlers dropped their first match of the season Wednesday at Lincolnton, 39-27, but came back strong Monday to defeat powerful Sullivan Junior High of Rock Hill for the second time this year, 34-32, in a match held at Rock Hill.

The Patriots were scheduled to face Shelby Wednesday afternoon in their final conference match of the year. They travel to Hudson Monday for a non-conference bout.

Coach Phil Weathers said his men didn't wrestle well at Lincolnton but gave the Lincolnton team a lot of credit. "We were flat, but they were ready for us," he said. "They have a good team and wrestled well."

Weathers said Kings Mountain dropped several matches that could have gone either way "and a victory in any of them would have given us a shot at winning," he said.

Against Sullivan, the Patriots were an entirely different team, becoming the first team ever to

whip the Sullivan team twice in the same year. Earlier this year, Kings Mountain snapped a 74-match winning streak by the Rock Hill school.

"It was a nice win for us, especially at their home site," said Weathers. "We were prepared for them and they were up for us because we beat them earlier. Some of our wrestlers ended up wrestling some guys that they didn't face in the first match, but they really came through."

The match see-sawed most of the way. Sullivan jumped out to a quick 5-0 lead but Kings Mountain came back with a pin by John Turner in the 90-pound bout to lead 6-5. The Patriots clinched the win when Bradley Henderson recorded a pin in the 169-pound match.

"I'm really proud of the team for winning this match," said Weathers. "It was an important win for us going into our final conference match against Shelby."
