

Shelby Radio Stations To Sponsor Benefit For Bullet Proof Vests

Bullet Busters, a 30-hour radio telethon to raise funds to buy bullet proof vests for the Cleveland County Sheriff's Department, will begin Friday morning at 6 a.m. and continue until 12 noon Saturday, at Cleveland Mall.

The benefit will be staged by

Radio Station WOHS and Radio Station WXIK of Shelby, in cooperation with the Cleveland County Sheriff's Department, Cleveland Mall and Chick Filet of Cleveland Mall.

Morning Air Personalities Jeff Champion of WXIK and Bob Davis of WOHS will be "jailed"

in a mock jail to be set up behind center stage in Cleveland Mall for 30 hours and will conduct the telethon from the jail cell, asking radio listeners to come to the Mall and bring their checks and donations or to make pledges over the air and mail checks and donations to Bullet

Busters Fund, P.O. Box 1590, Shelby, N.C. 28150.

The Bullet Busters Fund hopes to raise at least \$8500 to purchase bullet proof vests for the 35 members of the Cleveland County Sheriff's Department, including reserve officers. Chick Filet, one of the sponsors for the

telethon, will give a \$2.50 donation for each \$5.00 purchase of food during the 30 hour operation and will have Chick Filet open the entire time. The Mall will also be open for 30 hours during the promotion and citizens will be invited to visit the headquarters for the benefit

and talk to the radio personalities in their "jail cells."

"The Bullet Busters benefit is a real need for Cleveland County officers," said Bob Davis, who said that since the shooting of a Shelby police officer recently fund drives need to be spearheaded over the county

HOW MUCH FIXUP?
By RUBY M. ALEXANDER

How much should you invest in your home if you are planning to sell? Enough to make it look good, but nothing major. Cosmetic improvements will usually be more than paid back, but not substantial renovations.

First step is to make the place clean and clutter-free. Time spent throwing away junk will pay off better than anything else. A home looks bigger with less in it -- an you'll have to pare down your belongings before you move, anyway.

If updating is needed, add another bath. A house sells better if it has at least one and a half, preferably more. Kitchen renovation need not be top-of-the-line. Don't overimprove so that you price yourself out of the market.

Keep in mind that your taste and a buyer's may not match. It's smart to stay with classic, understated colors and patterns. You may not love them -- but at least no one will HATE them.
