

Section B

Thursday, April 25, 1985

Due to a problem with our production room camera, the pictures below on the Fifth Grade Field Day at KMHS Friday did not reproduce well on the front page of the C Section, which was printed Monday. We do not feel the pictures on page 1-C do justice to the hundreds of students who participated in the activities, therefore, we are running the pictures on page 1-B also.

5th Graders From KM Schools Enjoy Field Day Activities Friday At Gamble Stadium
