

Home Ec Program Sets Lincolnton Workshop

Summertime is leisure time and offers a grand opportunity for new experiences. The Extension Service Home Economics Program is planning a District Craft Workshop in Lincolnton, June 11 and 12. The workshop will offer a

new learning experience for those who enroll or an opportunity to develop handcraft skills in a new area.

Classes will be taught in the following crafts: Lap Quilting, Traditional Baskets with Original Touches, Stained Glass, Trapunto Vest,

Crochet, Knitting, Rug Braiding, Hardanger Embroidery, Pine Needle Baskets, Shadow Embroidery, Battenburg Lace, Corn Shuck Dolls, Chair Bottoming with Diagonal Flat Reed, and Oak Splint Basket (not for beginners).

Classes will be held at the Lincolnton Center and lodging will be in a motel downtown. A registration fee of \$6.00 will be charged and lunch will be catered for a nominal fee. Each class cost will be different due to supplies furnished by the teachers and the

student. Classes will be held from 10 a.m. to 4:30 p.m. on Tuesday, June 11, and 8:30 a.m. to 4 p.m. on Wednesday, June 12. On Tuesday evening the teachers will have a craftsman carousel—a display of their handwork and teaching illustrations.

Classes are filled on a first come basis so you will want to register early. Please contact Nancy H. Abasiokong, Home Economics Extension Agent at 482-4365 for more detailed information and a registration form. Registration deadline is May 10.

FMHA

Is 50

This week marks the 50 Year Anniversary of Farmers Home Administration (FmHA), and its predecessor agencies. FmHA is the credit agency for Agriculture and Rural Development in the United States Department of Agriculture (USDA). Its history of financial and technical assistance, as a lender of last resort in Rural America, goes back to the establishment of the Resettlement Administration by Act of Congress on April 10, 1985.

When it began in the 1930's, the Agency's original function was to make loans and grants to Depression-stricken families and help them regain self-sufficiency in making their living on family farms.

Throughout its half-century of operation, FmHA has been concerned primarily with credit and counseling services that have supplemented resources of the private sector for building stronger family farms. In 1984, Farm Credit accounted for about one-half of all resources administered by FmHA.

In addition, during the last two decades, Congress has used FmHA's local offices to deliver other programs of benefit to families and communities throughout the rural population. Programs administered by the FmHA have helped to bring rural housing, water and sewer systems, and other essential community facilities up to standard for rural people and have generated more development of job and economy boosting business and industry in the State.

In Cleveland County, the FmHA staff is headed by Mrs. Gertrude F. Ledbetter County Supervisor, and Harris Putnam, Barbara G. Bishop, Shirley White, and Lisa V. Jordan her staff. The local office is located at 124-2 S. Post Road, Shelby, N.C.

The latest reports revealed that Cleveland County, FmHA provided \$4,309,000 in credit to rural residents and communities during FY 1984, and has an outstanding loan balance of \$46,254,000. Mrs. Ledbetter said that FmHA programs have touched the lives and improved the living conditions of most residents in the County during the past 50 Years.

With expanded programs and servicing authorities available, Mrs. Ledbetter stated that she and her staff looked forward to providing service to Cleveland County residents.
