

## Registration Set At Tech

Registration for Summer Quarter at Cleveland Technical College will be held in the Campus Center on Monday, June 3, from 9 AM to 8 PM. Classes will begin June 5 and end August 27. Students will not attend classes during the holiday period, July 1-5.

### Course Slated At Tech

The Continuing Education Department of Cleveland Technical College announces a Summer Quarter course entitled "Fundamentals of Real Estate". This 68-hour course which begins June 11 will meet Tuesday and Thursday nights from 6 to 10 PM in Room 2028.

This class designed for prospective real estate sales agents will include instruction in real property laws, appraising, brokerage, finance and the mechanics of closing a sale. Jim Toole, Jr. will instruct the course.

Registration will be held at the first class meeting. A \$10 registration fee will be charged for those under 65 years of age. In addition, a course text, available in Tech's bookstore, is required of all participants. For more information, call 484-4015.

## 15-Year-Old Boy Hurt In Bike-Truck Accident

William Larry Stone, 15, of Route 5, was treated for injuries Monday when his bike struck a city sanitation vehicle.

According to investigating Kings Mountain police, the bike rider, traveling south on Landing St., struck the sanitation vehicle, traveling East on Landing, in the left side, doing \$200 damage to the 1983 Ford truck operated by James Kenneth Downey, 900 Rhodes Ave. Stone was taken to Kings Mountain Family Practice on W. Mountain Street and treated for injuries.

A three-car crash occurred Sunday afternoon at 3:50 p.m. on Cleveland Avenue involving cars operated by

Tech will offer courses in 12 technical, 11 vocational, and general education programs during the summer session.1

The technical programs are accounting, business administration, business computer programming, executive secretarial science, general office technology, medical secretarial science, communications technology, fashion merchandising and marketing, electronics engineering technology, industrial management technology, criminal justice, and radiologic technology.

Vocational programs offered are air-conditioning and refrigeration, auto body repair, auto mechanics, diesel vehicle (truck) mechanics, electrical installation and maintenance, electronic servicing, industrial electronics, industrial maintenance, machinist, welding, and practical nursing.

The cost of the curriculum courses is \$4.25 per credit hour (in-state) and \$21.25 per credit hour (out-of-state). For 12 or more credit hours, the cost is \$59.00 (in-state) and \$263.00 (out-of-state). A \$8.00 student activity fee is included in the full-time cost.

Class schedules for Summer Quarter are available at Cleveland Tech. For additional registration information, call 484-4000.

Michael Willis, of Grover, operating a 1980 Chevy which was damaged \$1100; Deborah Burton, 1012 Second St., operating a 1980 Toyota which was damaged \$1,000; and Calvin Martin, of York, S.C., who was operating a 1981 Ford which was damaged \$200. The accident occurred, according to police, when the Willis car struck the Burton vehicle and pushed it into the third vehicle.

On Saturday morning at 10:23 a.m. a 1977 Chrysler operated by Grace Haywood, 528 Belvedere Circle, struck a 1967 Ford operated by George McClure, 305 N. Watterson St., doing a total of \$600 damages.

## Nearly \$800 Collected By Legion Auxiliary

Nearly \$800 was collected by members of Otis D. Green Unit 155 American Legion

Auxiliary during the annual Poppy Day distribution Memorial Day weekend.

### FRIDAY FIRE

Fire caught in lint air conditioning-heating ducts at Sadie Cotton Mills caused slight damage, according to Kings Mountain Fire Department, which answered the call Friday night.

The paper flower is made by hospitalized veterans and all proceeds are used to help hospitalized veterans, their families in the area, and to help provide a college scholarship for a deserving child of a veteran in the Kings Mountain area.
