### City Board

From Page 8-A

The Board annexed the property of Mr. and Mrs. James P. Falls on York Road, which represents 2.03 acres, upon request of the property owners and joined with the Fallses in petitioning the State Highway Department for widening of 161 (York Road).

The Board rescinded contract for purchase of property between the City and Mills Construction on optioned lots remaining undeveloped in the central business district and said that Parcels, 43, 49, 60, 61, 64, and 20 would be available to individuals for 150 days. Sale of the lots to citizens to the highest bidder meeting certain criteria is designed to encourage home building at favorable interest rates. Prior to the action, the board heard a report from Community Development Director Gene White.
