pleted his junior year at Westminster where he is attending on a prestigious \$3,000 Churchill Scholarship. He is a member of Sigma Alpha Epsilon social fraternity.

The Dean's List recognizes those students who have

shown high academic performance during the past semester. To be included on the Dean's List, a student must have a 3.60 semester grade point average with at least 12 hours completed.

Shower Honors Brenda

Miss Beth McDaniel and Mrs. Nancy Hughes entertained together recently at a lingerie shower honoring Miss Brenda Berry, whose wedding to Jeff Flowers took place Sunday.

The party was held at the McDaniel home in the Dixon Community and 12 guests showered Miss Berry with trousseau gifts.

The refreshment table was decorated in a yellow and green motif and green punch was served with party pickups.

Miss Berry was presented a shoulder bouquet of red roses to pin to the shoulder of her party dress.

Present as special guests were Mrs. Tom Berry, mother of the bride-elect and Mrs. Ken Flowers of Latimore, mother of the bridegroom-to-be.

Jaycees Attend Meeting

Regional Director Larry Hamrick Jr., District Director Brad Tate, and State Director James Howell attended the North Carolina Jaycees Local Officers' Leadership College on June 7, 8, and 9 at the University of North Carolina at Chapel Hill.

The Local Officers' Leadership College is held annually to train incoming chapter and state officers in the management skills and programming responsibilities needed to better serve their communities.

Over 400 Jaycees from across North Carolina attended the three-day seminars according to Jerry Wall, President of the North Carolina Jaycees. A few of the topics covered with the new officers included Public Relations, Leadership Skills, Personnel Management, Effective Communications, Community Development Programs, Financial Management, Fundraising, and Public Speaking. The highlight of the weekend activities was a tour of the North Carolina Jaycee Burn Center.

"The Kings Mountain Jaycees are to be commended," said President Wall, "for showing the initiative to attend this year's Leadership College. I'm sure the ideas and techniques they learned will prove to be a real benefit to both the members of their chapter and to the community they serve."

Selected For Program

Referring to her acceptance to the Institute, Mrs. Propst said, "It is my belief that the multiple dynamics of flexible non-credit training and re-training may very well determine the success of lifelong learning for the individual, the company or organization as well as the local community. But with the challenge to lead economic growth through training and re-training comes the responsibility to know the business and strengthen ones ability to respond. The Harvard MLE Institute will equip me with a keener sense of defining training problems and to develop and implement policy as well as provide a national network of professional colleagues. The best advantage is exposure to a broader vision of the potential of the adult as a learning and developing person."

Mrs. Propst is the daughter of Mrs. Martha Hicks Turner of Grover and Gene Turner of Shelby. She is a 1969 graduate of Kings Mountain High

School and received her B.S. in Marketing from Georgia College of Milledgeville and her M.Ed. from the University of South Carolina.

Mrs. Propst is married to

Tom Propst, President of The Men's Market, Inc. of Spartanburg. They have two children, Megan Elizabeth, four months old, and John Thomas, 22 months old.

That's my Dad!

My Dad never backed down from a challenge, or from a responsibility. He always stood firm. I knew where he stood and how.

Father's Day never receives the press Mother's Day receives, but that is as it should be. Moms should be out front in the home. They are rulers, there, but Dad supplies the bedrock, the protective aire, the security blanket for the home.

Dad was never a man of preference. He was a man of conviction. Preferences change with the styles. Convictions, never! That's my Dad. Happy Father's Day, Dad!
