## Board Rejects Petition

City safety reasons, the city board of commissioners Monday night unanimously rejected a petition from business and property owners to allow two hour parking on both sides of the 100 block of West Mountain Street.

The board had tabled the request from John D. Bullock of Bullock Industries from the recent meeting.

In a related matter, the board approved a request from Chief J.D. Barrett to eliminate parking along a segment of the east side of Cherokee Street adjacent to the police department parking lot.

Mr. Bullock said after the meeting that he is distressed that the board did not allow two hour parking in the area of Griffin Drug Store and the building which he owns across the street, the former H&R Block building.

"We have a real problem with lack of parking in this area," he said. Bullock said he believed limited parking of two hours on both sides of the street would enable patrons of the stores along the 100 block of West Mountain to shop in these stores and eliminate a "serious problem." His letter requesting the change was read by Mayor John Moss and a petition from all business owners in the 100 block area was again presented.

Woodside, told investigating officer Ptl. Raymond Garris that she was traveling west on the 74 Bypass and as she approached the 216 overpass someone threw rocks at her car, broke out the window of the vehicle and damaged the seats.

Reports of larceny and damage to property are under investigation by police in several other incidents involving Kings Mountain citizens.

Henry Broyles, Suburban Trailer Park, said that speakers and a mirror valued at \$250 were removed from his vehicle parked at Sadie Mill.

Carolyn Martin, 709 W. King St., said that someone removed a "wet banana" playground equipment from her yard, valued at \$30.

William Manning, 504 N. Watterson St., said a tractor trailer tore down power poles at his residence doing \$100 damage.

Kimberly Warren, 46 Pine Manor, reported that someone stole a ceiling fan, stereo, and color television set from her residence valued at \$1049.

Warren Reynolds, 120 York Rd., reported that someone took an \$8,600 garden tractor and bushhog from his business property on York Road.

Julius Smith, 1050 Barnette Dr., reported the theft of a bicycle valued at \$163.

Ralph Hayes, 90 Cleveland Avenue, reported the theft of a riding lawn mower valued at \$1,000.

Linda White, 900 Groves St., reported that \$40 was taken from her purse.

Property damages totaled \$1600 in a two car wreck which occurred on Cleveland Ave. June 21 at 10:30 a.m. Allen Simmons, 906 Henry St., operating a 1981 VW, struck a 1979 Ford truck operated by James Pressley, 517 S. Battleground Ave.
