

Nazarene Church Plans Homecoming On Sunday

First Church of the Nazarene will hold Homecoming Day on Sunday, Sept. 29.

The Disciple-Aires will be singing at the 11 a.m. service. Picnic lunch will be served at the noon hour.

All members, former members and friends are invited.

Grover School P-TO will hold Open House for parents and teachers Monday evening after a short business meeting at 7 p.m. in the school auditorium.

President Billy Howell said that all parents and teachers are encouraged to attend the meeting.

MOUNTAINEERS FED - Kings Mountain High football players, their families, coaches and their families, and other supporters of KMHS football were given a steak supper by Carl Champion following practice Thursday afternoon at Gamble Stadium. The Mountaineers, 3-0, host Shelby in their Southwestern 3-A Conference opener Friday at Gamble Stadium.

Arbor Day To Give Free Trees

The National Arbor Day Foundation is giving ten free shade trees to people who become Foundation members during September, 1985.

The free trees are part of the Foundation's effort to promote fall tree planting throughout America.

A Sugar Maple, Weeping Willow, Red Oak, Green Ash, Thornless Honeylocust, Pin Oak, Silver Maple, Tuliptree, European Mountainash, and Red Maple tree will be given to members joining during September. The six to twelve inch trees will be shipped this fall at the right time for planting between October 15 and December 10. They will be sent postage paid with enclosed planting instructions.

These trees were selected because they provide shade and beauty, and a variety of forms, leaf shapes, and fall colors, according to John Rosenow, the Foundation's executive director. They are guaranteed to grow, or they will be replaced free of charge.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give the ten free trees to members contributing \$10 during September.

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to SHADE TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by September 30, 1985.

Macedonia Church Musical

The Senior Adult Choir of Macedonia Baptist Church will present the musical, "More Than Ever Before" Sunday evening, Sept. 29th at 7 p.m. during the evening worship service.

"More Than Ever Before" was written by R.G. Huff, Bill Sloan and Barry Braman and is not meant to be a musicale with "old folks sitting around in rocking chairs reminiscing about the good old days." Instead there is a very positive attitude concentrating on the days ahead.

Macedonia Church invites the community to worship with them "as we reaffirm that each day we live we realize that 'More Than Ever Before' we want Jesus in our lives."

Gospel Sing

House of Prayer near Fallston will sponsor a gospel singing Sunday afternoon beginning at 2 p.m.

Featured groups will be Eternal Love Singers of Blacksburg, S.C. and Canaan Land Singers of Shelby. The public is invited.

OVER 50 YEARS

VOTE HUMES HOUSTON DISTRICT 2 COMMISSIONER

Dear Friends,

I have served on the Board of Commissioners for three terms, covering a span of ten years and again, with ten years of experience, I am running for re-election to continue the efforts of working toward Economic Growth and Progress of our City.

The following are some of the accomplishments I have helped to initiate in the past and present administration:

1. Enlargement of the Water Treatment Plant from 4 million gallons a day to 8 million gallons a day; the same at the waste treatment plants, 4 million gallons a day to 8 million gallons a day.
2. Completion of a new Governmental Facilities Center Building (City Hall.)
3. Construction of a Public Works Complex.
4. The Depot Center Completed to serve the Aging Program in our City.

Some of the committees I have served on in the past administrations and currently serving on at the present:

- Personnel - Chairman
- Supply Committee - Chairman
- Efficiency Committee - Member
- Utility District Committee - Member
- Annexation Committee - Chairman
- Electrical System Extension Committee - Chairman
- Drainage Committee - Chairman
- Emergency Operations Committee - Chairman

There are three programs, I want to see become a reality:
Hydro-Electric Plant at Moss Lake - could materialize in about 18 to 24 months.
Annexation Program - the first step, in accordance with the State Statute on Annexation, has been taken.

Utility District - KMUD - Kings Mountain Utility District - a continuous program as the need for water and sewer needs grow.

I think the time of the generous government support to municipalities is over, and three programs I support above are, at their completion, revenue-producing.

I have a lot of faith in our City and our Citizens, and if your concern for our City is the same as mine, get out and vote. Make your choice wisely and in a constructive manner.

Sincerely,

Humes Houston
