**PHARMACIST ASSURED QUALITY**

Generic drugs save you money. But all generics are not created equal. Here's why: Eckerd requires that each generic drug manufacturer pass Eckerd's own 18-step selection process. And only those that pass get the Eckerd PAQ Seal. If it doesn't, you can't get it at Eckerd. PAQ means you never sacrifice high quality for a low Eckerd generic price. One drugstore is better than the rest. Eckerd.
