

# KMHS Volleyball Team Is 8-0

Kings Mountain High's volleyball team opened a two-game lead in the Southwestern 3-A Conference last week when it swept East Rutherford and Burns in matches played at Burns.

The Mountainettes defeated second place East Rutherford 11-15, 15-10 and 15-5, and whipped Burns 15-7 and 15-8. Kings Mountain is now 8-0 in the SWC and East is 6-2.

The KM girls were scheduled to go to South Point Wednesday to face South Point and North Gaston. They play their final home matches Monday at 4 p.m. against South Point and R-S Central.

There will be no admission charges for Monday's matches at the KMHS gym. Coach Dianna Bridges urges the public to attend and support the Mountainettes in their quest for the SWC championship.

Good serving by the entire team and 13 spikes by Regina Brown behind the good setting of Susie Moore enabled the KM ladies to come back for the victory Wednesday against East Rutherford. Coach Bridges played all of her players in the victory over Burns and said that "good, consistent serving" led the way to victory.

Moore, the team captain, and Brown, co-captain, were selected as Players of the Week.

"They are an exciting combination on the court," said Coach Bridges. "They complement each other well. They have one another to thank for their success because they make each other shine."

Brown averages six down spikes per game, due to the excellent setting of Moore, and the pair usually account for seven points per game because of their consistent, hard serving.
