## Hawkins Speaker

Ronnie Hawkins, licensed mortician on the staff of Harris Funeral Home, was guest speaker at Tuesday's meeting of the Kings Mountain Lions Club.

Hawkins recently completed a course on eye removal techniques and is one of the few morticians in the state qualified to perform such procedures, skills which are very important as a precursor to cornea transplants and research projects which aid the blind.

Hawkins told of some of the methods being used to help the sight impaired and in some cases return sight to the blind.

The Lions club is currently conducting the sale of fruit cakes to benefit its Christmas season projects for the blind.
