Assistant Superintendent Larry Allen said that all teachers have been employed in all personnel positions and he anticipates the state will evaluate the statistics on the 10th day of school and make any adjustments that are to be made.

Allen said that maintenance repairs have been done at all plants in the system and that "all is ready for school opening."

All school personnel attended an Opening Convocation Breakfast Tuesday morning at 8 a.m. at the Senior High School Cafeteria and welcomed a former KMSHS principle Bob McRae as the new superintendent succeeding retired Supt. Bill Davis. McRae is Kings Mountain's fourth superintendent in the last half century. Others were B.N. Barnes and Don Jones.

Also recognized were all school principals and newcomer Hugh Holland of Gastonia, the new principal of West School who replaces Jane King, who is in a new position as principal at North School.

Special entertainment was presented by a singing group of teachers and other school personnel, under direction of Shirley Austin with Ellen Elam at the piano. Prior to the musical program, Dr. Eric Faust, pastor of First Presbyterian Church, led a devotional and KM Board of Education Vice Chairman Doyle Campbell welcomed the group and expressed appreciation to the cafeteria staff for serving ham and sausage biscuits with fruit and accessories.

Allen recognized Teacher of the Year Elizabeth Allen and Principal of the Year Ronnie Nanney for remarks and new Superintendent Bob McRae who said he looked forward to working with all personnel in the new year beginning Monday.

"There are not many professions", said Campbell, "where we can start all over each year but that's one good thing about this profession and going to school. Each year is new and different."
