Volleyball Team 6-2 In League

From Page 6-A

Regina Brown led the victory over R-S, scoring 10 points and downing six spikes. Tessie Ruff did an excellent job setting the ball.

Kings Mountain's B team defeated R-S 7-15, 15-10 and 15-11. Beth Smith led the scoring with 12 points, getting most of them from excellent serving. Angela Woods added eight points.

In the victory over Independence, Brown led the way with nine points and in the loss to Crest, Boheler scored eight points and Brown five.

Player of the Week was Brown, a returning All-Conference standout.

"Regina had an excellent match against R-S Central," said Coach Bridges. "Her performance was outstanding, which allowed us to get back in the game. She is our leader and motivator. There is no doubt that Regina is Division I college material, and should be highly recruited. When Regina plays, she plays hard with her head and heart, which makes her outstanding. She should be a top candidate for Player of the Year in our conference."

Patriots Win 42-8 Wednesday

Kings Mountain Junior High's football team scored its second straight victory Wednesday at R-S Central, defeating the Hilltoppers 42-8.

The Patriots have now scored 116 points and have given up only eight in two ballgames. They have an open date this week and travel to Burns next Wednesday.

D. J. Williams rushed for two touchdowns and Darius Ross rushed for one TD and intercepted a pass and returned it for a touchdown. Cedric Byrd also scored on an interception return and Timmy McClain scored on a 62-yard run.

Coach Gary Blake cited Ross and McClain for their offensive running and Brandon White and Billy Appling for their defensive play.

Lions Club Conducting Annual White Cane Drive

The Kings Mountain Lions Club is conducting its Annual Humanitarian/White Cane Drive October 9, 10, and 11. Lion Howard Berrier Humanitarian/White Cane Chairman, states that funds raised during this Drive support the programs of the North Carolina Lions Foundation, Inc. Lion Howard is optimistic that the community will support the Humanitarian/White Cane Drive this year as it has in the past. He expresses the appreciation on behalf of all members of the Kings Mountain Lions Club for past community support.

The North Carolina Lions Foundation, Inc. is a non-profit organization, organized in 1934 to establish a State Agency for the Blind that would administer all Federal and State programs relating to blind and visually handicapped citizens. Since this

action was accomplished in 1935, the North Carolina Lions Foundation, Inc. has continued to support and cooperate with the State Agency.

In 1966, a central office was established in Raleigh to administer and coordinate all services supported by the Foundation for the Blind and visually handicapped. One of the services supported is the North Carolina Eye and Human Tissue Bank, located in Winston Salem. This organization serves as a clearing house for all Eye Wills and requests for eyes, as well as other human organs. Over 250,000 Eye Wills are on file.

Camp Dogwood is a camp and vacation spot for the blind and visually handicapped people of North Carolina, located on the shores of Lake Norman in Catawba County. The facility, representing an

investment in excess of one million dollars, provided camping opportunities this year for more than 600 blind and visually handicapped people. The main support for this project is provided by the North Carolina Lions Foundation, Inc.

A Scholarship Program sponsored by the Foundation for children of blind parents is currently providing assistance to 40 youths in North Carolina Universities, colleges and technical schools.

Radios and white canes are provided by the Foundation for any blind person in need of one.

Glaucoma-Diabetes detection clinics, research and public education are services sponsored jointly with other agencies by the North Carolina Lions Foundation, Inc.

Lion Howard points out that contributions to the Humanitarian/White Cane Drive are tax deductible.

Grover Students Celebrate 212th Birthday Of Johnny Appleseed

Rev. Phil Waugh, pastor of Grover's First Baptist Church, as "Johnny Appleseed", delighted students in Mrs. Tommy Keeter's and Miss Jackie Blanton's Grover classrooms Friday as the Social Studies classes celebrated the 212th birthday of Johnny Appleseed.

Waugh dressed as Appleseed and told the students that because of "his dedication and faith and hard work Johnny Appleseed planted millions of apple seeds from Massachusetts to the Ohio Valley. He planted seeds that others might enjoy."

A table of delicious apple treats were also served during the day, compliments of parents of students. Students also recited poems and sang apple songs and apple art activities were enjoyed such as apple weaving and stuffed hanging apples.

"Johnny Appleseed" arrived unannounced in his tattered clothes with his usual tin pot on his head. The children were spellbound as Johnny told them the story of his life.

Creative writing placed on the bulletin board included such topics as "If I Were An Apple"; "How To Make An Apple Pie". A classroom apple shaped book was filled with individual stories of Johnny Appleseed.

First grader Angh rad Glidden gave this recipe for apple pie. "Place 10 cut up apples in a pie crust. Add a mixture of one cup of cinnamon and one cup of sugar

and pour into crust. Bake in oven for five minutes."

First grader Brandon Bolin's recipe for apple pie follows: "Mix three cut up apples, two cherries, 1/2 cup of sugar and 1/2 stick of butter and pour into a pie crust. Bake for 3 minutes."

First grader Brian Cannon wrote: "If I were an apple I would be hanging on a tree. Being an apple I would not be able to read. Swinging on the tree is fun."

Second grader Brett Wells

wrote: "If I were an apple, I would hang around on the tree. Being a red apple, I am beautiful. My home is on a limb. At night my friends and I see the moon. We have fun talking to each other."

Second grader Yara Langston wrote: "If I were an apple, I wouldn't go to school. A bad thing about being an apple is you don't get to read. One good thing is you get to look around at the sky. It would be fun to swing in a tree."
