Bradshaw was honored for her cheering during the month of September. She was selected by a committee of anonymous fans.

The honor will be given each month during the season to the cheerleader who expresses the most enthusiasm and school spirit during that month's ballgames.

Heather is the daughter of Mr. and Mrs. Robert Bradshaw. She has been active in the KMHS Choral for two years, is Chorus Club secretary, Junior Class vice president, member of the Student Council, FCA, Pep Club, Beta Club, and Drama Club, and participates in track and crosscountry.

She is active in her church choir and handbell choir and is a regular in Kings Mountain Little Theatre productions.

## Johnny's Wins Four In Duckpin Bowling Action

Johnny's won four games from the Untouchables and the Pinstrickers split with Joann's in Mixed Duckpin Bowling League action Thursday night at Dilling Heating.

John Caveny rolled a 122 line and 323 set and Danny Dilling added a 113 line and 307 set to lead Johnny's. Ronnie Scruggs had a 123 line and 349 set for the Untouchables.

Margaret Dilling's 105 line and 297 set led the Pinstrickers to a split with Joann's. Allen Myers led Joann's with a 124 line and 346 set and Joann Myers added a 110-300.

In action Tuesday night, Lib Gault swept four games from R.W. Hullender and John Dilling won three from Betty Hullender.

Dilling won scoring honors for the night with a 137 line and 387 set to lead his team over Betty Hullender. Mrs. Hullender led her group with a 113 line and 334 set.

Mrs. Gault had a 138 line and 357 set and Pat Blanton added a 119 line and 324 set to lead Gault's win over R.W. Hullender. Hullender led his team with a 110 line and 307 set and Dot Mobley added a 106-306.

year and they have better speed than they did last year. Their defensive starters are huge. They have good speed in their linebackers and secondary. We'll have to block much harder and longer."

The Bulldogs run a pro set on offense which is led by sophomore quarterback Tim Gilbert, who is a good runner and passer. The Bulldogs have averaged passing about 16 times a game so far. Senior Kenny Walker also plays a lot at quarterback.

A host of returnees and some promising newcomers give the Bulldogs one of the best backfields in the conference. Senior Durwin Briscoe is a three-year starter at running back and the Bulldogs have had one of the leading rushers in the conference thus far in junior halfback Danny Ross.

"Ross has exceptional speed," says Hicks, "and they have a couple others who are big and fast. They do a lot of things well on offense. Our defensive front really has its work cut out."

Hicks said the Bulldogs run a lot of mis-direction plays and quick pitches out of their pro set. "They try to catch the defense lining up wrong," he said. "We have our work cut out for us."

The Mountaineers have played outstanding defense all year except in the lop-

sided loss to Hunter Huss. In their four victories, they recorded two shutouts (42-0 over East Lincoln and 27-0 over Chase) and held their other two opponents to just one touchdown (17-7 over Bessemer City and 14-7 over Shelby). In last week's win over Chase, the defense scored two touchdowns and set up a third.

Coach Hicks has gotten balanced running from a host of backs, including tailbacks Raynard Roberts and An-

thony Hillman, and fullbacks Daron Hillman and Monty Deaton. Quarterback Jerry Jordan is also a threat to run the ball and his passing has improved tremendously in the past few outings.

The Mountaineer offensive line has blocked well with players such as Aubrey Hollifield, Rusty Bumgardner, Kevin Champion, and others leading the way. Hollifield, Bumgardner, Shawn Smith, Daron Hillman, Gus Degree, Wayne

Brazzell, Jordan, and others, have led the defensive charge.

Kings Mountain will be striving to eliminate penalties in Friday's contest with Burns and will also try to continue to hold their turnovers to a minimum. The Mounties have given up the ball only once in each of the last two ballgames, but at Chase last week, they were flagged 16 times for 135 yards, erasing well over 100 yards in rushing.
