

## Eastridge Fun Fair Scheduled

Eastridge Mall in Gastonia will host the new ABC-TV Family Fun Fair, October 17-19.

The ABC Family Fun Fair features cartoon stars from ABC-TV's Saturday morning fall line-up. Squire D. Rushnell, Vice President, Long-Range Planning and Children's Television, ABC Entertainment, said, "The stars of ABC's Saturday morning animated series will come to life as beautifully costumed, life-sized ambassadors in this second annual Family Fun Fair exhibit. This travelling show will feature some of the most recognizable and popular children's characters in America today. And, the interaction of audience and live performers is guaranteed to make the appearances exciting and memorable."

The schedule for showtimes are Friday and Saturday-11 a.m., 1 p.m., 3 p.m., 5 p.m. and 7 p.m.; Sunday- 1 p.m., 2 p.m., 3 p.m., 4 p.m. and 5 p.m.

Daily highlight of the three-day event is a free musical review with a giant ABC-TV setting on center stage at the mall. ABC superstars Bugs Bunny and Sylvester from "The Bugs Bunny and Tweety Show" will be featured in the show along with Princess Kneesa from "The All New Ewoks;" Cooler from "Pound Puppies;" "The

Care Bears Family" stars including Cheer Bear, Funshine and Brave Heart; some of "The Real Ghostbusters;" little Fred from "The Flintstone Kids;" and David the Raccoon from the upcoming ABC Children's Television special "Kingdom Chums."

The stage show is just part of the fun. Between shows, the life-sized costumed characters will make special mall appearances to greet the children and pose for pictures.

Children are invited to bring their toy Pound Puppies

to a free Pound Puppies Obedience School each day. The children will participate in the short school to learn how to care for their Pound Puppies. Each participant will receive a Graduation Certificate.

A colorful display in the mall will provide activities for children during regular mall hours. At the ABC Family Fun Fair's Care Bear Roller Coaster Display, children will activate a story in lightbox settings. Nearby, a 7-monitor carousel display offers previews of ABC-TV's Saturday morning fall children's line-up.

Children may play video games at Nintendo's Family Entertainment units. Star of the Nintendo center is R.O.B., Robotic Operating Buddy, the world's only interactive video robot plus the Zapper light-sensing video gun and a variety of exciting game software.

Claire Stoddard, Manager, ABC-TV's Children's Programming, East Coast, summed up the goal of the ABC Family Fun Fair. "It is a very exciting opportunity for ABC Children's Television to bring news of our Saturday morning fall schedule, live, to all of our viewers. As we have reached out across the country the response we have seen has been overwhelming. And the smiles on all of those faces is really just what ABC Children's Television is all about."

## Cherokees Publish Catalog

The Cherokee's have produced their first mail order catalog featuring over 150 original art and craft items for sale to the general public.

The catalog is produced by the Qualla Arts and Crafts Mutual, Inc. which is a non-profit organization whose membership is made up of over 400 Indian artists, sculptors, wood carvers, basketweavers and other highly skilled Indian craftsmen.

The purpose of the Qualla organization is to provide employment for the Cherokee Indians and to preserve their ancient art and craft skills for future generations.

"This is the first time since our organization began in

1946 that we have offered to the public a catalog," said Betty Dupree, Manager of the Qualla Arts and Crafts Mutual. "This new catalog showcases the very culture of the Cherokee Indian Nation through the work of our highly skilled Indian artists and craftsmen."

According to Dupree all items are handmade and are one-of-a-kind. "We are very proud of the work, it is our finest!"

The catalog features handmade basketry, pottery, stone carvings, beadwork, stone tomahawks, river cane arrows, and other items unique to the culture of the Cherokee Indian.

The new catalog also

features photos and background information about the different Indian artists and craftsmen whose work is shown.

"The catalog is so interesting that it is almost a work of art in itself," said Dupree.

The 24-page color catalog can be ordered from the Cherokee Indian Reservation by sending \$2.00, check, cash or money order, to Qualla Arts and Crafts, Inc., P.O. Box 277, Cherokee, NC 28719. For more information on Cherokee and accommodations, contact the Cherokee Visitor's Center, P.O. Box 465-NR, Cherokee, NC 28719. Phone (704) 497-9195 Ext. NR.
