SELLING YOUR HOUSE
RUBY ALEXANDER CRS

WHAT BUYERS WANT

Prospective buyers of houses tell us just what they are looking for, so we can match the right buyer to the right house. That way, you're not bothered with "browsers." The prospects we show through your property really want a house like yours - so many bedrooms, so many baths, and particular amenities, too - and they are in a position to buy. We won't bring an army of lookers to see your house, just live prospects. Of course, you're not likely to rebuild your house to attract buyers, but we will help you make it especially attractive to sell. If repainting, repapering or recarpeting is advisable, we'll recommend the colors and styles buyers like. You get knowledgeable advice and action when you list with Alexander Realty, 739-1616. Editors Note: Ruby Alexander has recently earned the CRS designation (Certified Real Estate Specialist)
