tained for two car garages by entrance fee of \$5 for each entrance segment of 12 foot width or portion thereof. The fee is unchanged.

The board, after public hearing at which no one objected, confirmed assessment rolls for improvements on S. Goforth from W. Mountain to West King and on Sipes Street from Goforth to Edgemont, totaling \$102,600.29, and requested by property owners in petitions in 1983-1984.

The board approved, after presentation by Chairman

Humes Houston, a resolution of consideration for annexation, a step required every two years, in what Commissioner Houston termed "staking out our claim." A map is on display in City Hall. Houston said next step in the length process is to define the area.

After an executive session of 90 minutes, the board reconvened at 10:45 p.m. and Mayor Moss announced employment of one person in Construction and Maintenance, one person in Property and Maintenance and advertised for another employee in Property and Maintenance.

Christmas Parade Set November 23

The annual Christmas parade is Sunday, Nov. 23, at 2 p.m. and Kings Mountain Fire Department is inviting entries.

"Anyone who wants to participate with a unit or float is welcome to take part in this traditional holiday parade and should call 734-0555", said Chief Gene Tignor.

LIVER DAMAGE

Acetaminophen (Tylenol, Excedrin, etc.) is exceptionally dangerous when taken with alcohol. Both are metabolized (broken down chemically) by the same liver cells. Taken together, they overload the liver, and excess alcohol attacks and destroys liver cells. Serious kidney damage can also result from unmetabolized alcohol. There is evidence of a tenfold increase in liver damage from alcohol taken with acetaminophen.
