

**PASSES FOR MOUNTIES** - Ryan Hollifield (11) completed nine passes last week for Kings Mountain High's jayvees but they lost to North Gaston 26-15 in their final football game of the season.

## Jayvees Lose To Wildcats, Finish Season With 1-8 Mark

Kings Mountain High's jayvee football team lost its final game of the year Thursday at North Gaston, 26-15.

The defeat leaves the Mountaineers with a final 1-8 record, their only victory coming 10-8 over R-S Central.

The Mountaineers led last week until the final three minutes, when North Gaston scored two touchdowns.

Kings Mountain's touchdowns came on runs of five and four yards by Toby Deaton. Jon Reid caught a two-point conversion pass from Ryan Hollifield and Todd McDaniel kicked a point-after.

"Our offense moved the ball well," said Coach David Bolton. "Hollifield threw the ball exceptionally well, completing nine passes. Deaton ran the ball well and Reid and Brian Dellinger did a good job catching the football."

"Scott Belcher and Reggie Gamble did a good job on defense for us," Bolton added. "But, it boiled down to the fact that when we had to hold them, we couldn't. They got the ball back with three minutes to play and had to score two touchdowns to win, and they did it."

Looking back over the season, though, Bolton said

he wasn't disappointed with the team's effort. He started several ninth graders.

"There were a lot of games we should have won, but inexperience hurt us," he said. "We should have a heck of a team next year. We have some good athletes coming back and some good athletes coming up from the junior high program. We appreciate the support we got from the community and my assistant coaches did a real fine job. The team really came a long way from the first two weeks of practice. We took our lumps this year but it will pay off next year."

## Brown SWC Volleyball Player Of The Year

Kings Mountain High placed three players on the All-Southwestern 3-A Conference volleyball team which was announced today.

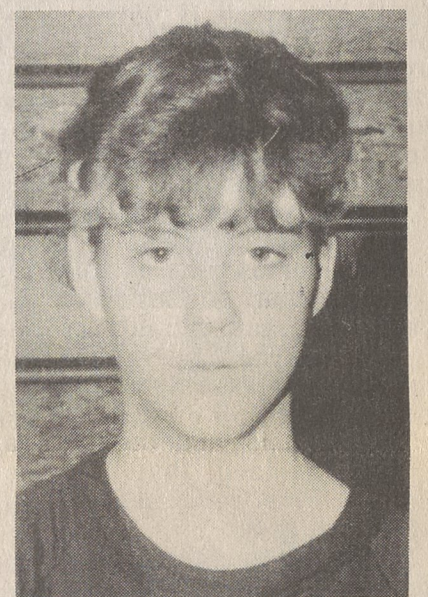

Leading the list is senior standout Regina Brown, who was voted Player of the Year. Kings Mountain's Diana Bridges was Coach of the Year for the second straight season.

Joining Brown on the All-Conference team were teammates Jennifer Boheler and Chris Shelby.

Brown was named All-SWC for the third straight year. She helped lead this year's team to its second straight SWC title and to the third round of the State 3-A playoffs. She averaged four down spikes per game and was accurate on over 95 percent of her serves.

"She is a good all-around player," noted Coach Bridges. "She is very strong on the fundamentals and is being recruited by several Division One colleges."

Boheler, a junior, was named All-SWC for the second

straight season. A strong player on offense, she averaged two down spikes and was accurate on 90 percent of her serves.

Shelby, who made All-SWC for the first time, is regarded as one of the league's best defensive players. She was a 95 percent server.
