

OBITUARIES

LOUELLA CLARK

HIGH POINT - Louella Davis Clark, 209 South Taylor Street, died Sunday at her residence.

A native of Gaston County and former resident of Kings Mountain, she was the daughter of the late Ross and Lizzie Burris Davis. She was a member of Memorial United Methodist Church, where she was a member of the Methodist Women's Association, and was a member of Hillside Senior Citizens Club.

She is survived by two sisters, Gertrude Adams and Ruth Burris, both of Kings Mountain.

Services will be conducted Thursday at 3 p.m. at Memorial United Methodist Church by the Rev. Andrew Brown. Burial will be in Carolina Biblical Garden.

The family will receive friends from 7-8 p.m. Wednesday at Haizlip Funeral Home in High Point.

C.B. KING

Funeral services for Charles Buren King, 86, of 211 Fairview St., who died Tuesday morning at home, will be conducted Wednesday afternoon at 3 p.m. from Chestnut Ridge Baptist Church of which he was a member.

His pastor, Rev. Mitchell Pruitt, will officiate, assisted by Rev. P.D. Montgomery and Rev. George Leigh and interment will be in the church cemetery.

Mr. King was a retired textile employee and native of Jackson County, N.C., son of the late Arthur and Callie Monteith King. He was married to the late Eliza Oates King.

Surviving are two sons, Bill King of Kings Mountain and Arthur King of Charlotte; one daughter, Mrs. Mary Laney of Berkeley, Michigan; eight grandchildren and 10 great-grandchildren.

Memorials may be made to Cleveland County Hospice, Shelby, N.C.

Harris Funeral Home is in charge of arrangements.

Mothers Of Twins Club Forming In KM

To The Editor:

I am writing you to inform you of a newly formed club in the Kings Mountain area. The Kings Mountain Mothers Of Twins Club.

Each year in the United States, 33,000 sets of twins are born. Twins occur once in 90 births, triplets occur once in 9,300 births, quadruplets once in 490,000 births and quintuplets once in 55,000,000 births. There are two types of twins: monozygotic (MZ) or identical, one-egg twins and dizygotic (DZ) or fraternal, two-egg twins. The tendency to bear fraternal twins may be inherited from either side of the family. Fraternal twins result from two fertilized eggs and are not necessarily any more alike than any two singletons born to the same parents. They may or may not be the same sex. However, identical twins result when a single fertilized egg splits after conception. These twins are genetically alike. Identical twinning is a biological phenomenon and the incidence remains fairly constant throughout the world.

Many parents of twins (or more!) have special problems and needs that comes from having two babies of the same age. They need a place to turn to for help, advice, guidance and friendship that can only come from others having the same experiences. Thus, the Kings Mountain Mothers Of Twins Club was founded. We are a non-profit organization designed to provide support for parents of multiples and others having direct responsibility for the care of multiple birth children.

The first official meeting of the Kings Mountain Mothers Of Twins Club will take place on January 13, 1987 at 7:00 p.m. in the Chapel of Kings Mountain Hospital. New and expectant mothers of multiples are welcomed to attend (as well as mothers of "not-so-new" twins).

Mothers may call and register for the meeting, call Heidi McDaniels, Membership Chairman at 739-8863. Mothers from Shelby, Gastonia and surrounding areas are also invited.

Thank you for your support!
