CARD OF THANKS

The family of Pam Jones wants to say thank you from the bottom of our hearts to a lot of fine people in and around Kings Mountain for the many kind expressions of love and sympathy during the long illness and recent death of our Pam. So many of you did so much for us in so many ways that we know we will never be able to thank each of you personally; but please know that we appreciated each act of love more than we can find the words to say. Your prayers, concerns, visits and other kind acts made a valley in our lives be much less deep than it might have been. We thank the Lord for surrounding us with such people.
