

Cheerleader Tryouts Slated

Tryouts for junior and varsity cheerleaders for KMSHS football and basketball teams are set for April 16th at the high school with evening practices on April 13, 14 and 15, according to Director Kevin Plonk.

Local cheerleader candidates will also attend a workshop on Saturday to practice required cheers for tryouts and view a video on cheerleader basics.

Mrs. Plonk said the past year was a successful and exciting year for local cheerleaders who advanced to the state playoffs. She said squad members work hard each year decorating players lockers, planning pep rallies, marching in parades, participating in fundraisers and cheering at ballgames. The Football squad participated in area cheerleading jamborees including the Jamboree at Cleveland Mall and the cheerleading show at the

Cleveland County Fair. This year cheerleaders plan to attend camp at Clemson University in August. Cheerleaders were recognized recently by Mountaineer Restaurant when owners Dale and Libby Putnam treated the girls to a free dinner and ice cream dessert.

Cheerleaders recognized for their enthusiasm and spirit of the games were Paris Floyd, Heather Brad-

shaw and Candace Brown. Paris Floyd is captain of the football squad of cheerleaders and Jennifer Becton is co-captain. Bobbie Byrd is captain of basketball squad cheerleaders and Sharon Green is co-captain. Other varsity members are Candace Bowen, Mary Ferebee, Misty Shockley, Heather Bradshaw, Sciandra Robinson, Viola Joy, Jenny Reid and Angela Redmond.
