## REUNION

Descendants of William Grayson Early and Georgia Elma Ross will hold the annual reunion of Earlys and Rosses Aug. 9 at 11 a.m. at Kings Mountain Depot. All relatives and friends are invited to bring a picnic lunch and attend the reunion.

## NEW POLICIES OF THE CITY OF KINGS MOUNTAIN

The Cash Management Plan for the City of Kings Mountain is being established pursuant to the City of Kings Mountain Cash Management Policy as adopted by the Mayor and Board of Commissioners on June 30, 1987.

For the pleasure and convenience of all citizens of the City of Kings Mountain this plan establishes incentives for timely payments of utility, tax, and street assessment billings. The encumbrance of city resources will be reduced some \$30,000 annually as these incentives are placed in force. Utility customers due date shall be the 15th day of each month, i.e. billed by the 1st day of each month and due two weeks later on the 15th day of each month. Policy enforcement is essential. Customers placed on the cut-off list will be advised to pay the account in full or service will be discontinued. Service can only be restored after payment of a (\$10) dollar reconnection fee per service disconnected and all unpaid bills. As in the past only customers that owe two bills on the 15th of each month will be placed on the cut-off list. Another incentive for timely payment is that a fee of ten (\$10) dollars be assessed on the last day of each month as a delinquent service charge fee.

Utility deposits have changed effective July 1, 1987. This will assist in charge-off reductions associated with utilities collection. New customers and delinquent customers will be required to post a deposit as follows:

WATER AND SEWER \$25.00  
ELECTRICAL \$90.00  
GAS \$90.00

These deposits will be returned after one year of continuous service and timely payments on the account. A cut-on fee of ten dollars (\$10.00) per service will be required if that service is disconnected.

The Board of Commissioners directs the Tax Collector to advertise tax liens on real property (for failure to pay taxes) on the second Monday in May in accordance with G.S. 105-369. Levy procedure of garnishment of wages, etc. will be pursued for personal property tax assessments. Street assessments are subject to similar treatment as taxes. Foreclosure on the property may result unless the property owner makes arrangement to resolve the indebtedness. Letters have been mailed to delinquent property tax and street assessments of property owners prior to 1985 fiscal year. If the office of the City Clerk has not received payment by July 31, 1987, then proceedings must begin to recover these amounts to serve all citizens equally.
