The brand name of these shirts is LeTigre. Approximately 525 shirts are reportedly missing.

Take Precaution While On Vacation

Summer's here!! And it's time to get away from it all by taking a vacation. Before you leave, be sure your home is protected from unwanted guests.

Here are some safety tips:
—Stop your mail and newspaper deliveries. Arrange to have your lawn mowed.

—If you have valuables in the house, take them to your bank for storage in a safe deposit vault. Deposit extra cash in your bank account.

—Set your light timers. Set them logically. Living room lights should go on in the evening. Bedroom lights should go on later. A bathroom light can go on anytime. A burglar observing your neighborhood will be looking for a pattern that tells him which houses are vacant.

—Move all ladders, tools, lawn implements, garbage cans and yard furniture to your garage, basement or storage shed.

—Unplug all electrical appliances such as radios, television sets, irons, washers, and fans to prevent possible damage from electrical storms.

—Turn down the volume control on your telephone so that the ringing cannot be heard from outside.

—Close all windows and sliding doors and lock them. Make sure that the "Charley bar" is secure on sliding doors, and that all screens or storm windows are locked or fastened securely.

—Put window shades in normal daytime position, and make sure all main floor drapes, shades and curtains are arranged so the neighbors and police can see into your house.

—If you are leaving a car or other vehicle in your driveway, make sure it is locked.
