

YUMMMM. IT'S GOOD—Lister Johnson, above, says there is nothing as refreshing as a cone of ice cream to beat the heat on a hot summer day.

### Needs Address

Dear Editor:

I still read the Kings Mountain Herald from cover to cover trying to find someone in Kings Mountain I knew as a child and until I moved away at age 15. If you ever see or hear of anyone who knew the Leslie McGinnis family, please let me know.

### Grover Rescue Thanks All For Support

Dear Editor:

The Grover Rescue Squad would like to thank its' many supporters for their faithful support over the years. Your generosity provides the funds to give you the service and protection you deserve. The Rescue Squad at present is in need of a new ambulance, so we can better serve your community.

A special fund raising project will be going on for the next few weeks. Men will be calling on homes in the Rescue District asking for your participation. Each family that helps out with \$10.00 will receive one (1) 8x10 family portrait, compliments of the Rescue Squad for your support. The portraits will be made of your family at the Rescue Squad building on May 16th & 17th by Rainbow Productions.

Your cooperation in this project is needed and will be greatly appreciated.
