SNOW FAMILY - Jane Campbell created this snow family in front of her Dance Academy on Battleground Avenue Sunday. The family included a snow man, snow woman, snow baby and snow dog. When the wheels of the world began moving again Monday, though, a snow plow came along and that was the end of her snow family.

Mrs. Hillman Elected To ABC Board

year-term and Commissioner J.D. Barrett seconded. Commissioner Harold Phillips then made a substitute motion

with Commissioner Norman Bridges seconding, that Mrs. Hillman be appointed. Mayor Kyle Smith called for a vote on the substitute motion and it passed 4-2 with

Commissioners Fred Finger and Al Moretz siding with Bridges and Phillips.

Other members of the ABC Board, with terms unexpired, are Chairman Andy Neisler and Van Birmingham.

After the vote was taken, Charlie Carpenter, KM realtor attending the meeting, suggested the board give recognition to Ingram's effort on the board and his effort in helping pass the successful ABC referendum and construction during his term of office of the ABC Store.

graders in the future. The program will be reviewed by the Health Council and officially presented to the board later.

*Was told by McRae that the system will soon begin an Early Intervention program on a trial basis at Central School. The program is designed to offer special instruction to potential dropouts and is in cooperation with the Mental Health Department.

*Was told by McRae that a Health Fair will be held at the junior high school during Public Health Week April 12-14. Students will be offered blood pressure screening, height and weight checks, tetanus check, and other assessments to identify areas that may need attention. There will be a seminar for parents at night.

*Was told by McRae that UNC-Charlotte is interested in placing more student teachers in the district and training local teachers to be their supervisors in UNC-C's student training program.

*Appointed Billy King as the board's representative on the 1988-89 School Calendar Committee.

*Adopted a resolution of support of the high school's Southern Association of Colleges and Schools 10-year re-evaluation.

*Authorized McRae to proceed with the 1988-89 budget on the same basis as prior years, with principals and other department heads working with the Central Office staff, and later presenting their proposals to the board. McRae said a preliminary budget would be presented at the March meeting and a public-hearing and final approval slated for the April meeting.

*Approved the retirement of Mary Page, Central teacher, effective January 22, and the resignation of Health Coordinator Paula Hildebrand effective February 1.

Democrats Will Meet

Cleveland County Democrats will reorganize at precinct meetings Thursday night, Jan. 21.

In Kings Mountain, West KM Precinct will meet at The Armory, East Kings Mountain Precinct will meet at KM Community Center, Grover Precinct will meet at Grover Rescue Squad and Bethware Precinct will meet at David Baptist Church fellowship building. All meetings are 7:30 p.m. and new officers will be elected. Meetings will be held at all 24 precincts in the county at the various polling places.

Charlie Carpenter, a member of the West Precinct, pointed out that the Cleveland County Board of Elections, decreasing the number of precincts from 28 to 24, moved the dividing lines between East and West KM precincts which means that about the same number of people will be voting at the two KM boxes. Those voters living East of Cansler Street will vote at West KM and those living on the Southern line of West precinct on Crocker Road will vote at West box instead of Bethware precinct, he said.

The KM Board of Elections changed their boundary lines to correspond with the county lines which means that voters can vote in both a county-conducted election and a city-conducted election at the same voting place and not have to move from one place to another to vote in instances where school board candidates are running at the same time as city board officials.
