

BASS CLUB PROJECT—Several days last week workers from the N.C. Wildlife Commission, assisted by the Cleveland County Bass Club, placed 400 Christmas trees in Moss Lake to provide cover for fish. Ronnie Humphries, left, and Arnold Ledford are shown placing the last trees in the lake on Saturday.

Cover Put In Moss Lake

Leftover Christmas trees were hauled by city crews to Moss Lake during the weekend and volunteers from Cleveland County Bass Club, assisted by the N.C. Wildlife Commission, loaded them on small boats and pontoons and dumped them in brush piles in various spots on the lake to help cultivate the fish population.

Ronnie C. Humphries and Arnold Ledford, both of Cleveland County Bass Club, said that at many lakes in the area the amount of cover

available for fish is limited. When the Bass Club found out about all the left over Christmas trees from the recent holiday season, they contacted the N.C. Wildlife Commission and the trees were put to good use Friday and Saturday.

Workmen completed dumping the last of the 400 trees in Moss Lake Saturday afternoon.

According to the local Bass Club members the program is funded through a federal aid program. The money was

returned from the states on taxes put on things like sports equipment and fuels. In addition to providing shade for fish during the hot summer, the trees also allow protection for smaller fish and also serves to attract fish of all kinds, primarily for shelter.

Other Bass members assisting in the project were Max Brooks, Steve Gordon, Tom Mayhew, Charles Hutchins, Butch Jackson, Richard blanton, David Rhea and Mike Lemmons.

There's a better way to save.

When you put your hard earned money in a mattress, all it does is sleep. What you want is to put it to work for you, earning interest, and that's where our many savings plans, money market accounts, IRAs and CDs come in. They're all high interest-earners

and each offers the added protection of being insured by the government for up to \$100,000. (That's something your mattress won't do.) We have savings plans that will fit your needs and budget and we'll be glad to tell you about them. Stop in anytime.
