Pharmacist

**COUGH MEDICINE**

The cough reflex clears our airways of mucus, dust, etc. A cough medicine to suppress coughing is warranted during the early stages of colds or flue when the airways are dry - then coughing is unproductive. However, when there is mucus in the chest, it must be removed by coughing and we should not give cough-suppressant medicine. Not removing the mucus can lead to pneumonia or lung abscess.

**HOW DO YOU GET PREMIUM HOME-OWNER'S INSURANCE AT A DISCOUNT? NO PROBLEM.**

Auto-Owners Homeowner Policy discounts do just that. There are a number of premium discounts you might qualify for, and they could reduce your costs by as much as 40 percent!

Get broad homeowners coverage, from a reputable source—at the price you want. Just ask your "no problem" Auto-Owners agent about homeowner's discounts. It's no problem with Auto-Owners.
