

First Woman Commissioner

From Page 1-A

She previously served on the Cleveland Community College Board, the Mental Health and Substance Abuse boards, the N.C. Transportation Efficiency Council, and the 40th District N.C. House of Representatives Committee. She serves the Kings Mountain Rescue Squad Board of Directors and in other community and civic organizations. She served 2½ terms as chairman of the Cleveland County Democratic Party.

"This past four years has been most gratifying and enjoyable," said Mrs. Cashion of her service on the county board of commissioners. "Our board has been a hard working group and I feel that we have served the citizens with responsive and cost effective government. There has not been a tax increase in the past three years."

CRISSY BOLIN

Crissy Bolin Finds Note Inside Balloon

Crissy Bolin, third grader in Nancy Hughes' class at Bethware School, enjoys playing in her grandfather's pasture.

Recently at the J.V. Bolin home she noticed a balloon hanging in a tree. She climbed the tree and rescued the bursted balloon and found inside it a note from Kyra Cox, a Weekly Reader writing pal from Travelers Rest Elementary School approximately 50

miles from Crissy's home. Travelers Rest is just outside Spartanburg, S.C.

Since Crissy is also participating in the Weekly Reader writing pals contest, she has written Kyra and her classmates.

Crissy is the daughter of Danny and Melany Bolin and the granddaughter of J.V. and Rene Bolin and Bill Clark, all of Kings Mountain.

LIVER DAMAGE

Acetaminophen (TYLENOL, EXCEDRIN, etc.) is exceptionally dangerous when taken with alcohol. Both are metabolized (broken down chemically) by the same liver cells. Taken together, they overload the liver, and excess alcohol attacks and destroys liver cells. Serious kidney damage can also result from unmetabolized alcohol. There is evidence of a tenfold increase in liver damage from alcohol taken with acetaminophen.
