

DR. CRAIG PHILLIPS

Phillips To Speak At KMHS

Dr. Craig Phillips, State Superintendent of Public Instruction, will make the principal address at the annual Academic Awards Banquet May 10 at Kings Mountain Senior High School.

The banquet will culminate a day-long visit in the Kings Mountain System by Dr. Phillips who will be honored that afternoon at a reception by the KM Board of Educa-

tion in the Board Room. Dr. Phillips will visit four plants in the system during his visit to Kings Mountain Schools, said Dr. Bob McRae, Kings Mountain Superintendent. "We are very pleased that Dr. Phillips has consented to make the address at the annual awards banquet and look forward to having him in our school system for a visit", said Dr. McRae.

Dr. Phillips, re-elected to his fifth four year term as state superintendent in 1985, received his A.B., M. A. and Ed.D degrees from the University of North Carolina at Chapel Hill. He served in the U.S. Naval Reserve, 1942-46, with service during the Invasion of Normandy, Southern France, and later in the Pacific Theatre of Operations.

His career in education began in 1946 as a teacher in the Winston Salem school system. He subsequently became superintendent of Winston Salem Schools in 1956 and in 1962 became superintendent of Charlotte-Mecklenburg Schools. From 1967-68 he was Administrative Vice President of The Richardson Foundation in Greensboro.

NATURE HIKE

Instead of merely taking a weekend drive thru the countryside, why not stop at some public park, wooded ridge or meadow and take a brisk hike. The beauty of nature, close at hand, will do wonders for your spirit — and the stimulating walk will be most physically healthful. Live a little — it doesn't require a two week vacation. A weekend nature hike is most invigorating.
