KM Economic Development Committee To Meet Monday At Holiday Inn

Mike Geouge, Senior Regional Representative for Business and Industry for the N.C. Department of Commerce, will be guest speaker at Monday's meeting of the Kings Mountain Economic Development Commission.

Ms. Sandra Wesniewski, specialist in visitation and assistance to existing industry, will also be on the program.

The group meets at noon at Holiday Inn for lunch and program.

Chairman John Moss said that all chairmen of committees are reminded to bring materials for inclusion in a brochure to be distributed by

the EDC about Kings Mountain.

The EDC was recently organized by the Chamber of Commerce with Moss, former mayor, as chairman. Last month, Moss named chairmen of committees who met with their members to outline KM area needs for existing industry as well as new industry and all the material is to be compiled for a new Kings Mountain brochure to be distributed in the area.

Geouge and Wesniewski are expected to present ideas on how to attract new industry as well as how to keep existing industry in their program, open to the public.

Zoning Board To Meet

From Page 1-A

final plat for Country Creek phase II subdivision.

Davis, Morris, Plonk, Dedmon and Neisler will present survey plat for review and comment only.

Warren E. Reynolds will present a preliminary plat for Kennedy Hills Subdivision.

Jerry Whetstine has written a letter of withdrawal about rezoning of his property on Harmon Road.

Mike Brown, developer, is requesting the reduction of pavement width in subdivision regulations.

Robert E. Lee, developer, will present preliminary plat for Country Creek Phase III. The public is invited.

SUNBURN

Before you endure hours of discomfort, baking in the hot sun, you should know that the healthful effects of a suntan are almost nil. In fact, excessive exposure to sun permanently damages the skin and leads to premature aging, wrinkling, a leathery texture, and can cause a cancerous condition of the skin. A high-number sunscreen lotion, carefully applied, offers good protection, as does limited exposure to the sun.
