WARLICK AND HAMRICK ASSOCIATES, INSURANCE AND REAL ESTATE

"Hometown Service" best illustrates the philosophy of Warlick and Hamrick Associates and for good reason. Started by the late Charles Warlick, this business began as the C.e. Warlick Insurance Agency in 1946. Its roots also include the merger of the Arthur Hay Agency that was founded in 1883. So the hometown roots of this agency go back well over 100 years in Kings Mountain. John Warlick, co-owner and son of the founder, joined the agency in 1956 adding the Hamrick name to the agency and also entering the real estate brokerage business for residential and commercial properties. Warlick and Hamrick Associates and Cleveland County area representing over 10 major insurance companies. They pride themselves on friendly, hometown service at competitive prices and offer that personal touch of being there when you need them. They also offer a full service real estate enterprise concentrating on residential and commercial properties. Stop in and see John Warlick, Larry Hamrick, Larry Hamrick, Jr., Becky Huffstetler, Betty Sue Morris, Linda Bennett, Lib Bolin or Carolyn Carringer. With a combined business experience of nearly 200 years, they are uniquely qualified to furnish Kings Mountain citizens with quality insurance and real estate services.
