Dear Santa,
My mom needs a fence. She has been wanting one for many years. She wants it for privacy, to let our dogs loose, and for no stray dogs to get in the year. She wants a swimming pool also, so in the hot, hot summer she can just drive in and get cooled down. She has wanted one of those for three years now, but we need more money. Well got to go.

Dear Santa,
I would like for the people at the Convalescent Center to be able to go home to there families or go to a friends house. I'd also like for them to be able to walk, talk or whatever their trouble is.

Someone else I'd like to get well is my grandmas. They are either sick or hurt. I would like for them to get well.

My one Christmas wish is that my dad would stop smoking cigarettes because I keep on telling him to stop but he is hooked on smoking and he might get cancer or a heart disease. Because I love him very much and I don't want him to get sick.
