Hollifield And Pennington Win Wake Forest Awards

WINSTON-SALEM — Aubrey Hollifield of Kings Mountain and Carl Pennington of Princeton, WV, have been named recipients of the 1989 Beattie Feathers Award as the most improved players during this spring's football practice at Wake Forest.

Head coach Bill Dooley presented both players with their awards, which are named in honor of the late Deacon assistant coach and former NFL standout, at the annual Spring Game this past Saturday (April 15).

Hollifield, a 6/4, 235-pound sophomore, was moved from linebacker to a defensive tackle spot during the offseason and im-

pressed the Deacon coaching staff with his aggressive play and improvement throughout the spring. He is currently listed as a number-two tackle behind senior Terry Smith.

Pennington advanced up the Wake depth chart into the starting spot at tight end during the past month. He saw limited action last fall as a reserve at that position, primarily in short-yardage situations, but did earn a letter for his work there and on special teams.

Wake Forest finished with a 6-4-1 record in 1988, its second straight winning season under Dooley, marking the first time for back-to-back winning records at the school since 1970 and 1971.

Mountaineers Hold Lead In Wachovia Trophy Race

Kings Mountain High School has taken the lead following the winter sports season in Wachovia Trophy competition in the Southwestern 3-A Conference.

Kings Mountain earned 23 points, paced by a second-place finish in wrestling for an overall total of 57 points.

Rutherfordton-Spindale was second with 51 total points. Shelby was third with 49 points, followed by East Rutherford with 47.5, South Point with 45, North Gaston with 38.5, Chase with 35.5 and Burns with 34.5.

The Wachovia Trophy recog-

nizes high schools that have the best overall sports programs for boys and girls within their conferences. Points are awarded based on participation and excellence and are tallied after the fall, winter and spring sports seasons.

The Wachovia Trophy, sponsored by Wachovia Bank and Trust, is the companion to the Wachovia Cup, which is sanctioned by the North Carolina High School Athletic Association. The Cup honors one school each in 1A, 2A, 3A and 4A classification for top overall performances in the state.
