

## Teacher Excellent Shooter

The shooting gallery at the county fair always fascinated John Gimbel, Central School teacher.

From that interest his hobby piqued in silhouette shooting and last Saturday he won the 1989 Hunter Pistol state championship in Salisbury topping a field of 73 contestants.

Firing at metallic animals representing hunting animals, Gimbel hit 41 out of 60 targets using a Thompson Contender and .32 H&R Magnum at firing distances of 25 to 100 meters. The 25 meter target was represented by a chicken, the 50 meter target by a pig, the 75 meter target by a wild turkey and the 100 meter target by a mountain ram.

Gimbel has been active in silhouette shooting since 1985 with international air pistol. He was an Olympic finalist in 1980 in Black Canyon, Arizona.

Shooters from four states participated in the NRA sanctioned event and Gimbel was high overall champion.

Silhouette shooting is strictly a hobby for Gimbel who loves the sport and plans to go on to more competitions.

JOHN GIMBEL

**If you like the imports, you'll love the GEO's!**

MAC McCUTCHEON

For those who just have to have an import, we've got 'em! It's GEO. A brand new line of cars made by Toyota, Isuzu and Suzuki, available now at McCutcheon Chevrolet/GEO.

And what better time for GEO with gas prices headed out of sight again. GEO offers everything from down-sized, super economy cars for first-time buyers, to practical and dependable mid-line cars offering a

great economy, to sporty and fun 4-wheelers for both on and off-road, to stylish family cars that perform better than the best of them. And all are available in a wide variety of models and options.

Come see us soon for a look at the year's most exciting import news. Even if you never bought import before. GEO may change your mind. Especially if you're looking for great mileage.

Come see the new GEO's TODAY!
