KM Wins Wachovia Cup

Kings Mountain High School ran away with the Wachovia Cup in the Southwestern 3-A Conference this year.

The cup is given each year to the school which has the best overall athletic program as determined by a point system.

The Mountaineers grabbed the lead during the fall sports season, thanks to a first ever conference championship in girls tennis and high finishes in other fall sports, and held it throughout the year.

Mountaineer teams this year won championships in girls tennis, volleyball, softball, and golf, and improved their final standing in every sport over the previous year.

Final standings in the race for the Wachovia Cup were Kings Mountain 109 1/2, East Rutherford 96, Shelby 92 1/2, R-S Central 83 1/2, South Point 83, North Gaston 80 1/2, Chase 65 1/2, and Burns 56 1/2.

At the end of the winter sports season, KM had 57 points to 51 for R-S, 49 for Shelby, 47 1/2 for East, 45 for South Point, 38 1/2 for North Gaston, 35 1/2 for Chase and 34 1/2 for Burns. Kings Mountain was able to widen its final margin because of a first place finish in golf, tie for first in softball, seconds in tennis and baseball, and third and fourth place finishes in girls and boys track, respectively.

he hopes to build on next season.

Over his three-year varsity career, Greene was one of Kings Mountain's most consistent all-time players. He hit over .400 each season, posting a .435 figure this year. He also played a solid third base.

Deaton was the most improved player on the Mountaineer squad, going from a .056 batting average last year to .451 this year. He started the season as a pitcher but developed arm problems and switched to the outfield. His speed, both on the basepaths and in the outfield, was a big asset for the Mountaineers.

Plonk finished the season with a .438 batting average, 30 runs batted in and 11 home runs. He was leading the team in homers until late in the year when he was injured. He stayed out of the lineup for three weeks but returned in time to help lead the Mountaineers to the state championship.

Clark reached the pinnacle of coaching in just his first year as head man. His club was never less than second place in the SWC regular season race and posted six straight playoff wins to win the school's first NCHSAA championship.
