

Eaton To Purchase King-Seeley

CLEVELAND, OHIO—Eaton Corporation today announced it is purchasing King-Seeley Inc., a unit of Household International, Inc. The purchase price was not disclosed.

Located in Kendallville, Indiana, King-Seeley designs, manufactures and markets electromechanical and electronic control devices for electric ranges.

Alexander M. Cutler, President-Controls Group for Eaton said, "This acquisition is an excellent complement to our existing line of kitchen and laundry appliance controls, and is yet another example of Eaton's commitment as a full service supplier to the global appli-

ance industry.

"Not only are King-Seeley's products a logical extension of Eaton's market offerings, the company is a recognized leader in the production of high quality, durable, and cost-effective products. We look forward to their full participation as members of the Eaton team," Cutler said.

Household said it is selling King-Seeley as part of its strategic decision to divest all its manufacturing operations and focus exclusively on its financial services businesses. These include consumer finance and banking, commercial finance and consumer insurance products. In 1988

Household reported interest margin and other revenues of \$1.2 billion.

With 43,000 employees in 22 countries, Eaton Corporation is a manufacturer of highly engineered products serving automotive, industrial, commercial and defense markets. Principal products include truck transmissions and axles, engine components, electrical equipment and controls. The company's sales in 1988 were \$3.5 billion, with income from continuing operations of \$228 million, or \$6.11 per share of common stock. For the three months ending March 31, 1989, Eaton had sales of \$958 million and income from continuing operations of \$63.3 million.

SCHOOL BOARD

Kings Mountain Board of Education will meet Monday morning at 9:15 a.m. to name an assistant principal at Kings Mountain Senior High School. The Board will meet in the Administrative Offices on Parker Street.

ALUMNI TO MEET

The Davidson School Alumni Association will celebrate its 11th reunion July 16 at 3 p.m. at Mt. Zion Baptist Church. Dr. Everette Thoms will be the speaker and the Edna Roberts Crockett Singers of Philadelphia will present a concert. The public is invited.

GARDENS ARE LABOR OF LOVE-Mrs. Carl Maaney, above, stands in her gardens on East King Street which are a labor of love.

Organic Garden Labor Of Love

The house is a beautiful rock home with a beautifully landscaped lawn. Looking at it from the road, no one would imagine that its greatest features are located behind the house, out of the view of a casual passerby. Behind that beautiful house, is one of the most magnificent gardens anyone has ever seen.

Mrs. Carl Maaney created her gardens with loving hands. That love is evident when she speaks of the garden, in which she spends most of her time. "It's my life. I just love it," she says.

Most every day, you'll be able to find Mrs. Maaney in her flower garden or her vegetable garden fighting to keep crab grass and other weeds from her plants. She keeps the ground mulched and weeds pulled; and, in return for the favor, her plants flourish. Mrs.

Maaney even buries her household rubbish, such as fruit peels and left overs, in her garden to fertilize her plants.

In addition to her vegetables and flowers, Mrs. Maaney also grows blackberries and figs. She has a walk-in freezer in which to keep her vegetables and fresh cut flowers.

The mother of three children; Herman, Charles, and Kaye; Mrs. Maaney also has nine grandchildren and five great-grandchildren, with one more soon to arrive. A lot of Mrs. Maaney's time is spent canning and preserving her vegetables and fruits for her family. "My garden gives me something to do," she says.

That rock house on King St. is definitely one filled with love and dedication. Mrs. Maaney's plants seem to flourish on both.

PROMOTED-Lisa Hord Batchler, seated, will assume new duties July 17 as Administrative Secretary in the Gas Department succeeding Pat Blanton, standing, who has assumed new duties as City of Kings Mountain Purchasing Agent.

Two City Employees Are Given Promotions

Lisa Hord Batchler and Pat Blanton, both employees of the City of Kings Mountain, were recently promoted, according to Charles Webber, Personnel Director.

Blanton became Purchasing Agent on July 1 and Batchler assumed Mrs. Blanton's former duties as an administrative secretary in the Kings Mountain Natural Gas Department. Mrs. Batchler assumes her new duties July 17.

Mrs. Blanton, of 702 Princeton Drive, is married to Richard Blanton and they have two children, Jennifer and Wesley. She joined the city staff 10 years ago. A

graduate of Lee Edwards High School in Asheville, she attended Cecil's Business College and came to Kings Mountain from First Union National Bank in Asheville.

Mrs. Batchler, daughter of Mrs. Peggy Hord of Kings Mountain, is married to Scott Batchler. They reside in Grover and are expecting their first baby in November. A graduate of Kings Mountain Senior High School, Mrs. Batchler attended Gaston College and formerly worked at Burch Electric and Wales Manufacturing Company. Mrs. Batchler came to the city 17 months ago as receptionist.
