The American Bible Society

The old pump handle was the counterpart of our modern water faucet. You simply had to be thirsty enough to want to pump water.

New ways often bring *little* that's new. They just make it easier to satisfy our necessities.

But those who spiritually thirst-for souls that are dry. There is no new way. There is no way to pipe the water of a new life into the soul of a person.

It isn't difficult to overcome the spiritual drought of our time. But you've got to realize your own thirst for God. And you've got to draw on the deep, refreshing resources where they are. Let the church of your choice help to rediscover the old way.
