# Billy Graham Film To Be Shown At Oak Grove Baptist

CAUGHT, the newest film from Billy Graham's World Wide Pictures, will be shown on Sunday, August 13 at 6 p.m., at Oak Grove Baptist Church, Kings Mountain. The true-to-life dramatic story portrays the power of one person caring for another.

An 18 year old American, Tim Devon, goes to Amsterdam in search of the father he has never known. His mother reluctantly admits he was born illegitimately out of a college romance between her and a Dutch exchange student.

In this city, far from his home, he slips into the self-destructive drug culture, but is encountered by a single, caring person—a person of deep faith. The person, Rajam Prasad, found a way to share Christ's message of love, hope and forgiveness in a way that Tim could not ignore.

Vast audiences who have witnessed the film's premier in movie theatres around the world have been gripped by its central focus on their friendship which was

forged out of danger and desperation.

Deeply moved by the warmth of the film with its many moments of humor, Billy Graham, said "CAUGHT is certainly the most outstanding film yet produced by World Wide Pictures.

CAUGHT rings a challenge to us all; in reality, one caring person can have an immeasurable impact on the life of another lonely, disillusioned, desperate person. The public is invited to attend.

## The Singing Pfeifers

The Pfeifer story is unfolded in a book titled "Tragedy Brings Triumph." It is written by Don Pfeifer who is the father of some of the members of the group.

It is a story involving a fatal car crash which took the life of a young minister's son. It is a story of loss of other close family members and involves the struggles of the children to adapt to strict religious ideals handed down by their father's and grandfather's ministry, all of which have led the family to dedicate themselves to singing the praises of the Lord.

This group is based in Washington Court House, Ohio. The seven members are John Pfeifer on vocals and trumpet; Candy Pfeifer, who does vocals and plays bass guitar, alto sax and mandolin; Mary Jane Carter, vocals and tenor sax; Kathy Lawson, vocals, harmonica, banjo, mandolin, electric and acoustic guitar, all of which may account for her being dubbed "The Barbara Mandrell of Gospel Music"; Teresa Hurt, vocals and keyboard; Todd Kritzwiser, vocals, trombone and bass guitar; and Rob Collins, drums.

The group travels full-time in a silver eagle bus. It has 13 albums, including the latest "Blood Bought," from which their newest single, "Blood Bought Church" is taken. According to John Pfeifer, "it's high energy, compared to everything else we've done."

The accomplishments of the Pfeifers are vast. They appear frequently on Dove Broadcasting, Channel 16, in Greenville, S.C.

They were invited to sing at the National Quartet Convention. For four years, they have performed at Six Flags over Texas amusement park in Dallas. Their first live video was filmed there. In 1986 and 1987, they performed at the York, Pa., Interstate Fair before crowds of up to 14,000.

Not only do they perform at fairs and festivals, but they also go to colleges and entertain students.

When they are not on the road doing praise rallies, fairs, festivals and concerts, they are filming their own television show "The Pfeifers-Lifting Jesus." It airs in five states weekly and also on national satellite. It airs on WGS, Channel 16 in Greenville, S.C. on Tuesdays at 4:30 p.m. and Wednesdays at 11:30 p.m.
