Junior Varsity Drops Opener 7-0

Kings Mountain High's junior varsity football team fell to East Lincoln 7-0 in its season opener last Thursday night at John Gamble Stadium.

Coach John Bumgardner said he was pleased with his players' opening game performance but warned that they'll have to play "much better" in order to defeat Crest this Thursday at 7 p.m. at Gamble Stadium.

Kings Mountain took the opening kickoff last week and drove it inside the East Lincoln 10. But on a fourth and long play, the Mountaineers were stopped short of a first down on the four yard line.

"We looked good early, but just couldn't put the ball in the end-zone," Bumgardner said. "Maybe that's because of our youth and inexperience."

Bumgardner said he was pleased with the play of Robbie Ruff at tailback and cornerback, David Jenkins at offensive and defensive tackle, and Chris Davison on defense and special teams. Craig Hammett recovered two fumbles for the Mountaineers.

"Pat Ross played a good game in the backfield," Bumgardner said, "and so did our quarterback, Diron Bell. We saw a lot of good things. Our main concern right now is that

we have a lot of people playing both ways and we're going to have to be in the best physical shape we can be in.

"We expect a strong Crest team to come in here this week," he added. "They have a good quarterback who loves to throw the ball, and they also have a real versatile running attack. They mix their plays up a lot and they have one of the best jayvee teams they've had in years. We'll have to control their running game and not let the quarterback go deep on us if we expect to win."

"We'll be making some changes in our offense to try to get more

speed in the backfield," Bumgardner added. "We'll be trying to put the ball in Diron Bell's hands a lot more. We'll have to open up our offense and make him more of a threat to run the ball."

"They've got the best speed we've seen so far," says Coach Hicks. "We'll have a play our best."

The Mountaineers will go into the contest without the services of two of their three quarterbacks. Both Ryan and Andy Hollifield

suffered knee injuries in the second half of last week's game at East Lincoln. Timmy McClain, a talented junior, will get the starting nod for the Mountaineers.

After this week's contest, the Mountaineers will have an open date and then open Southwestern 3-A Conference play on September 29 at home against R-S Central's Hilltoppers.
