GOOD OLE DAYS IN CLEVELAND COUNTY-In a salute to the "good ole days", Arey Oil Company of Shelby will celebrate its 75th anniversary this year. The Arey Companies, which employ 190 people in six counties, now include Arey Oil Company (Amoco), Robert Arey Oil Company (Exxon), One Stop Food Stores and Arey Realty Inc. but like most family-owned businesses, the operation was started by one man. After operating a general store and automobile dealership for several years, W.J. Arey established Arey Oil Company in 1914. The "oil business" was in response to automobile customer demand and the fact that gasoline was hard to find in Cleveland County. In the early days, gasoline was transported in barrels on a wagon pulled by mules. If the roads were muddy, one 235 gallon delivery to Casar usually took from dawn until dusk. Today, a daily delivery of 75,000 gallons, in 8,800 gallon tankers, is considered the norm.

Vote For MARSHALL E. (COOT) CAMP District 5 City Council

I pledge to serve all citizens and to do all possible to see that Kings Mountain continues to develop.

YOUR VOTE AND SUPPORT APPRECIATED

TO: The Citizens Of Kings Mountain

I would like to take this opportunity to share with all of you why I am running for City Council. As a lifetime resident of Kings Mountain, I have a sincere interest in the well-being of our city.

Since retiring from the military in 1981 as a Senior NCO instructor, I attended Cleveland Community College for three years and worked for the City of Kings Mountain for three and one half years. I am currently retired and would like to put my time and work experience to work in representing you, the citizens of Kings Mountain.

As your City Council Representative, I would work to protect the resources of our community and help manage the growth of our city. I plan to listen to the concerns of all our citizens and work toward a common sense approach to city government. We must do a better job of controlling our expenses, managing our resources, including personnel, and make sure we provide reliable city services at a reasonable cost.

My promise to you when elected is to work FULL TIME for FAIR, HONEST and REPRESENTATIVE GOVERNMENT in Kings Mountain.

Thank You for Your VOTE,
Marshall E. Camp
