The Toro Power Plus™ 16-HP engine allows you to smoothly and efficiently cut grass at 6.5 MPH. And the 616-Z has Zero-Radius turning. It rotates 360 degrees within its own length, allowing you to mow so close to objects that you may never need to use a string trimmer again.

And now we've even trimmed the price. Right now the fast and maneuverable 616-Z is available for \$3,449. So stop by soon, and take one for a spin!
