CUSTOM MANUFACTURED SERIES 1600-L SINGLE HUNG TILT WINDOW

The Series 1600-L Aluminum Single Hung TILT Window combines good looks with durability for maintenance-free operation:

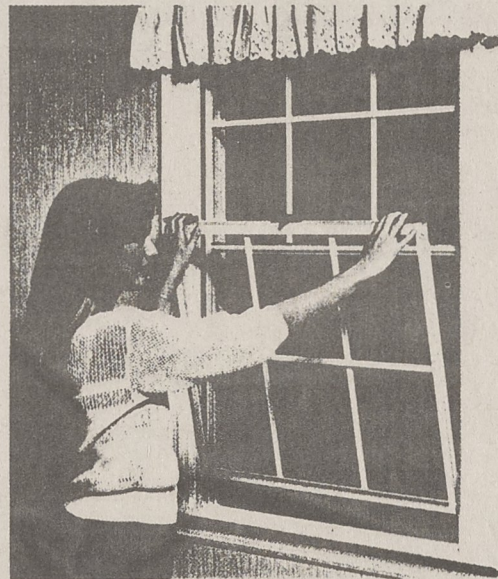

- All windows are custom manufactured to your exact opening measurements to ensure perfect fit and carefree operation.
- Tilt-in lower sash for finger-tip operation and easy glass cleaning.
- Screen is removable from the inside to make cleaning the outside glass easier.
- Strong aluminum frames will not rot, split, or warp.
- Interlocking meeting rail eliminates air leaks when window is closed.
- Fully weatherstripped sash means positive seal to reduce heating and air-conditioning costs.
- Optional full-frame Solar Screen installs in minutes to further increase your energy savings.
- Windows can be single glazed or double glazed with energy saving 1/2" sealed insulating glass.
- Positive-lock sash latch for added security and peace of mind.
- Decorative lite configurations include:
 - 1/1 Full View
 - 2/2 Ranch Style
 - Multi-lite Colonial
- Bronze and white finishes are factory-baked enamel to end the need for scraping, puttying, or painting.
